

VFW and Auxiliary Members
Free VFW National Recruiting Training Workshops Coming to Oregon
Saturday, November 17, 2018 and Sunday, November 18, 2018

This is a great opportunity for you to learn VFW recruiting techniques that will enable you to grow your Post and Auxiliary. National is sending a Membership Team member to conduct the training and answer questions. Handouts will be made available for your use. Remember, without new members coming in to replace those that have worked very hard for many years, your Post will cease to be. We cannot let this happen. All Commanders, please encourage at least one member from each Post to attend.

Auxiliary members are also encouraged to attend to learn techniques, etc.

There will be drawings for door prizes and comradery. Lunch will be available on site if you choose to participate. Please see the following information:

1. Jasper C. Lent Post 1442, 3405 SE 87th Avenue, Portland, OR, Saturday, November 17, 2018, 9 a.m. to 5 p.m., one-hour lunch break. Lunch will be prepared by the Post. Menu and price to be determined. Break times will be scheduled according to National Representative's needs.
2. Willamette Post 293, 1626 Willamette, Eugene, OR, Sunday, November 18, 2018, 9 a.m. to 5 p.m., one-hour lunch break. Menu and price to be determined. Break times will be scheduled according to National Representative's needs.

To prepare the site and meal, we will need you to make a reservation by emailing John Wrinkle at wrinkle4108@gmail.com or calling 541-678-3895. Texts to that phone number are also acceptable. Deadline for reservations will be November 10. After that date we cannot guarantee availability. This is a rare chance to gain firsthand information from our National Organization.
