Veterans Health Administration
VA Portland Health Care System

Call VA Portland now to schedule your COVID Vaccination

(503) 273-5100

Dear Veteran:

VA Portland Health Care System's goal is to get a COVID vaccine to every Veteran who wants it. The VA Portland, Vancouver, Salem, and Bend vaccination clinics are now **open to all Veterans** who served in the military, their **spouses, caregivers** of Veterans, and **CHAMPVA recipients**.

You can schedule a COVID vaccination appointment two ways:

- Call (503) 273-5100, (Monday-Friday from 8 a.m. to 4 p.m.) **OR**
- contact your care team via MyHealthVet

Eligible people can also sign up at www.va.gov/health-care/covid-19-vaccine/stay-informed to tell us if they want to get a vaccine through the VA. We'll then contact them to schedule their vaccination when we have vaccine available.

If you are not an enrolled Veteran with VA Portland, please bring this completed worksheet with you to your vaccination appointment: "**COVID-19 VACCINATION WORKSHEET.**"

Enrolled Veterans, if you've been vaccinated in the community, please let us know. Take a picture of your vaccination card and send it to your care team via MyHealthVet, or stop by your nearest VA clinic and ask them to scan it to your medical record.

Thank you for your service and letting us serve you.

For more details and the most up-to-date information on our vaccination clinics, go to the VA Portland web page at <https://www.portland.va.gov/>.

Sincerely,
VA Portland COVID-19 Vaccine Coordinators
