

National Council of Administration Are Now Open

With the passing of John Wrinkle, the council is tasked with electing a replacement for the National Council Member to complete John's Term. (which is about 1 ½ years left)

Nominations are open for all Oregon VFW members in good standing

Nominations are open till noon January 3rd at which time I will send the list out to the council for voting.

please ensure that the candidates are accepting the nomination before submitting their names.

candidates can send in a bio if they wish prior to the vote

I would start the nominations with fulfilling John's request to have George Carroll nominated for National Council Member (which he has accepted the nomination)
