

UNWAVERING SUPPORT

FOR UNCOMMON HEROES®

December 29, 2022

Greetings,

On October 6, 2022, the Greater Yamhill County VFW Post #4015 voted to establish an Auxiliary to their Post. We are asking you as a member of Post #4015 to invite your eligible family member(s) to an introductory meeting regarding the start up of a new auxiliary to your post.

The meeting will be held on Sunday, January 15, 2023, at 1:00 p.m. We will be meeting at the Palmer Creek Community Center, 606 4th Street, Dayton. To successfully charter a new auxiliary, there must be 15 new members, which means they cannot be transfers or reactivated members. However, members who are reactivating or transferring are an important part of a new auxiliary and are invited to attend the meeting as well.

I have been appointed as the organizer for the startup and institution of this new auxiliary. My name is Debbie Little, I am the current Department Senior Vice President. Please reach out to me if you have any questions. You can reach me at 503-739-0661 or [dlittle1822@gmail.com](mailto:dlittle1822@gmail.com). I have attached the Circle of Eligibility for you to reach out to eligible family members.

Loyally,

Debbie Little, Sr. Vice President  
Department of Oregon VFW Auxiliary
