Greetings Comrades and Auxiliary members;-

So far this has been a really trying year for me and the department. We started July with 16 Posts in suspension. Out of the 16 we closed down 5 Posts! This is not something I wanted to do but like you, we must follow our Bylaws! Everyone should know when we do elections that election reports have to be sent to National before July 1. With elections coming in April, let's be sure to turn in your election reports!

I hope you all enjoyed our mid-Winter Convention. I sure did and am looking forward to our State Convention in June! We have come a long way this year but we still have a long way to go. We need 2,398 members to be 100 percent in our membership. We started the year ranked #50 out of 50 departments. This is totally embarrassing as this is 5 years in a row!

Most of you already know that Department's budget comes from membership. We developed the budget based on 18,000 members and as of right now we are only at 11,418. This will cause a large short fall in our budget and eventually in our programs! This is why I have been pushing membership!! We are Oregon and we are better than this, so I am asking all Post Commanders to get to work on membership and let's show some OREGON Pride!!

I am looking forward to going to Washington DC in March for the Voice of Democracy finals and to talk to our Legislators on what our veterans need!

Again, I want to thank each and every one of you out there for what you do for our veterans! Thank you for allowing me to have the honor to be your Commander and I know that together we can get Oregon back on track.

Allen Anderson, State Commander

### STATE SR. VICE COMMANDER

Fellow Comrades,

It is hard to believe that our program year is already half over! It started with the National Convention, Schools of Instruction, District meetings, and an Oregon State Fair recruiting booth. We recognized our youth and teachers at the Mid-Winter Banquet in early February. As we all know, the VFW world never sleeps!

I want to share the Rotary Four-Way Test as I believe we could all benefit from learning about it. One of the world's most widely printed and quoted statements of business ethics is The Four-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor when he was asked to take charge of a company that was facing bankruptcy.

This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited

to this simple philosophy.

Adopted by Rotary in 1943, The Four-Way Test has been translated into more than a hundred languages and published in thousands of ways.

It asks the following four questions: "Of the things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?"

Now take a few minutes to remind yourself of the VFW's mission and vision:

**Our Mission:** *To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military, and our communities. To advocate on behalf of all veterans.*

**Our Vision:** *Ensure that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.*

Remember why you are a member of this organization and the many reasons we serve. Obtain the facts from a credible source. Do not let the small disagreements fester and turn into members taking sides and a Post being completely divided. It saddens me to see members turn against one another which causes additional issues. Continue to work together as a team, just as we did in the military, to improve our Posts and the communities we live in. Never forget why you became a VFW member.

I understand that there are rare instances where members are out of line, but they can be corrected in a gentle and respectful manner. There are also times when members do not follow our by-laws and need to be disciplined. We are the VFW family, and like most families, sometimes we don't always agree or get along well. However, we must always remain steadfast in our mission.

In closing, I wish everyone a fun-filled and meaningful 2023. Be intentional with time spent with your family and friends. Make lasting memories filled with laughter and love. Show others you appreciate and care about them. There has been so much loss within the Department of Oregon and our communities this past year. Each one of you is an important part of your Post, District, and Department. Let us look forward to 2023 with a renewed sense of hope, energy, and commitment to meet our goals.

In Veteran Service, Andrea D. Summerlin

Happy Valentine's Day members. I just returned from the Mid-Winter Voice of Democracy and Patriot's Pen Banquet in Eugene. This function is a good time to connect with other members throughout Oregon and to be able to listen to some fine young Americans. It does my heart good to listen to positive and thoughtful speeches from these future leaders. Thanks to each auxiliary and District who spent their time and energy advertising, read-

ing or listening to speeches and going through the elimination process. The dinner was delicious, and I enjoyed the individuals I sat with at our table.

Remember to contact your members and let them know what your auxiliary is doing. Communication is important. Elections are quickly coming and each auxiliary needs to complete the process correctly. Remember to look through your By-laws and Ritual book to refresh your memory. I do not want to lose any more members due to craziness at the Post or at the Auxiliary level. We are to work together to help Veterans and their families and we are to treat each other with respect and courtesy. No one is more important than the next person.

For the Auxiliaries who are "getting old" and "can't do anything," please regroup and learn something new. Perhaps the members that are voted in each year are stuck in the past, getting tired of coming up with all the answers, etc. Whatever the challenge is, try real hard to improve the attitude and get others involved in helping. PICK UP THE PHONE AND CALL SOMEONE WHO DOESN'T ATTEND. FIND OUT WHY AND SEE WHAT CAN BE DONE. We are not an organization of ONE!

The Department of Oregon is always looking for members who are interested in "going through the chairs" which will result in becoming the President of this fine organization. We are also looking for members who would like to fill one of the Department Chairman positions. Contact Junior Vice President Debra Duggan. Get involved at the auxiliary level and at the district level. Keep your members informed. Check out our website [vfwaux-or.org](http://vfwaux-or.org) and the National website in MALTA.

Packets have been distributed to all the District Presidents or Auxiliary Presidents or a representative of your auxiliary, so make sure you ask about them. They have some necessary forms and information that need to be passed on and not held for historic purposes. Year-end report forms for the auxiliary programs are in there as well. Make sure you pay attention to the deadline.

Remember to print off the National Magazine for members who don't have a computer or who cannot get the information. Or take your tablet and read some of the information at your meetings. Remember to report this under Veterans & Family Support.

A question was asked at the Mid-Winter conference meeting which I will share here. Some Auxiliaries have been reporting that they salute the flag at their meeting and reporting it under Americanism. I believe this is part of your ritual and is not reported under Americanism. If someone gives a flag folding lesson or talks about history during reporting time, you can count the number of members who are attending the meeting, etc on your Americanism report for the month.

There is so much information out there for all members. Take advantage of the research that has been done for members so they can become more knowledgeable and excited about what the Auxiliary can do in the community and for each other.

Remember to donate to the National President's challenge of raising more money than the National Commander in Chief for their joint 3D Scholarship program. Jane does not want pie in her face but is looking forward to putting a pie in our Commander in Chief's face. Let's help her. Thanks, and keep working on learning and reporting.

It is already February and we are halfway through the year. I want to let you know we have been working on getting the Department website up to date. Please take a look to see what is going on with our department. Type in [www.vfwor.org](http://www.vfwor.org) and this is where you will find forms some Post members have asked to add to the website for easier access, gallery of pictures from events, youth activities and results resources information from the Department Service Officer.

This is just the beginning of joining the 21st century and the more you use the website the easier it will become. I am asking for your support and help in keeping the Department website current. If you see anything that is no longer current or wrong information, please let me know so I can update it or correct the errors.

Our goal is for any Post that has done an event and wants to add it to the website for all to see have that opportunity. Please send in information with your Post name, article or pictures and we can make a section on the website to add these events. This is a work in progress and we want to help keep the information flowing to all Posts on events throughout the state. We will keep them on the website for a few months and then rotate new articles throughout the year.

We are currently working on the members only section. This is where you will soon find information that is to be opened by membership only and not for the whole world to read. Some examples would be Department general orders and information that only the membership needs to be reading. This area is being tested now before we open it up for all Department members.

Thank you for your continued support and I am looking forward to seeing the Posts and districts sending in results of the activities they have accomplished throughout the year. The Department of Oregon members are committed to serving members and their family members – we want to highlight all the great things happening!

Albert Little (Little Bert), Department Jr. Vice Commander

### CELEBRATION OF LIFE FOR JOHN WRINKLE by Valorie Wrinkle

I want to take this opportunity to say a huge “thank you” to all who attended John Wrinkle’s Celebration of Life at VFW Post 4108 on February 9, 2023. John was kind of a “larger than life” guy, so watching his health deteriorate and seeing him weak and ill was very hard on all those who loved him. He is at peace now and whole again, but we all miss his presence. The love and laughter, even the tears during the service at the Post helped my son, myself and all his family and friends heal.

The Pastors from our church led the Christian portion of the service, but we started with Cathy Lindsay and Tobbi Countryman singing the “Lord’s Prayer.” Jacob and Jordan Bailey (friends from church) sang “The Old Rugged Cross” and “Amazing Grace,” two of John’s favorite Christian songs.

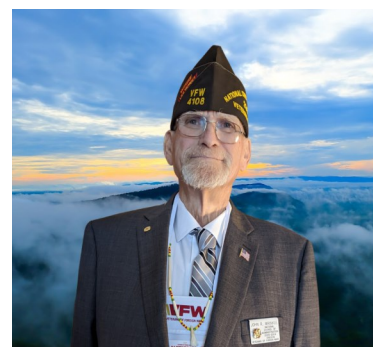

The VFW service was led by Past State Commander George Carroll, with the help of PDC Rich Halverson, PDC Bert Key, PDC Dennis Guthrie and State Chaplain Anthony Barber. Post 4108 Honor Guard, led by Don DeLand did the military honors and Ken Smith from Post 3232 in Florence performed the Boatswain’s Call, “Commander Departing” following TAPS. It was all beautiful and moving and I could not have asked for anything more.

Thank you to the Post and Auxiliary members who took care of the food service and clean up. A special thank you to Michelle Foltz for managing the kitchen and the potluck dishes. John would be so proud of you my young friend! Thank you also to Abigail Brock, daughter of Jason and Sarah Brock from 4108 for the delicious eclairs she baked—knowing that they were one of John’s favorite desserts. You have a future in baking young lady!

Friends and family come from all over (Arizona, California, Idaho, New Mexico, Oregon and Washington) to honor John and remember him. Members of the VFW and Auxiliary, Military Order of the Cootie and Auxiliary, and Mountain View Fellowship were all represented.

John would have been proud to know the impact he had on so many lives and I am sure he was up there saying “All this for me??” Yes, my love, it was all for you. You earned people’s respect for being a handworker, a dedicated volunteer and a strong advocate for veterans. You were loved for your sense of humor and you were known for the fierce love and loyalty you showed to friends and family. Thank you for 48 years of marriage; thank you for showing me how to have a heart for service and for allowing me to be your partner in everything you did. Thank you for being a great Dad to our son Jason and a favorite Uncle to your many nieces and nephews. No, you were not perfect, but you were pretty darn amazing!

With love and gratitude, Valorie

### NATIONAL COUNCIL MEMBER FOR OREGON

George Carroll  
State Commander  
503-829-9600  
[georgecarroll@molalla.net](mailto:georgecarroll@molalla.net)

Comrades, as I write this we are getting ready to go to D.C. where I will have the honor to represent Oregon at the National C of A. I was so hoping that John Wrinkle would be able to finish his term of office as Council Member for Oregon. Sadly, that was not to be. I am overwhelmed with the support that I received to finish his term. I would like to thank everyone, and I will do my best to fill this high honor.

I encourage everyone to watch for the alerts from the VFW Action Corps. Your responses will help the Veterans of Foreign Wars make a difference. I am sure that you have heard the old saying “numbers count.” This is especially true when we are trying to get our elected officials to take care of our active duty service members and our veterans. History has taught us that veterans make up a small number of the population, so we are where they are likely to make budget cuts. We must stand together or we will all lose. This is also why it is so important that you keep your dues paid up; or better yet, become a life member if you have not done so.

It is also coming up on time for Post and District elections. I know that it is sometimes hard to get members to step up to take an office. However, every Post and District has to have a complete Election Report, which **must** be turned in on time. National has and will suspend any Post that does not have an election report on file on time. Sadly we have lost Posts this year because we could not get a complete Election Report.

It is just as important that those who do take office do their job. While we have some who have stepped up and taken command for years; they have earned a rest. I hope that some new blood will step up and take command. Why should the same person have to take responsibility year after year? Those of us that are Korea and Vietnam veterans need to start turning over the reins to our younger veterans. Their ideas may be new to some; but they are the veterans we have been keeping this organization relevant for, just as the WWII veterans did for us. If many of those WWII veterans were able to see the changes that we have put in place over the years, they might have been resistant, believing they would not work. We must accept new ideas and move forward.

In Comradeship, George E. Carroll

Greetings Brothers & Sisters, I cannot believe that I am into my Senior Vice President year by 8 months, with only 4 months until Convention. I have been busy and will be busy right up to Convention. I am:

- Establishing an Auxiliary for the Greater Yamhill County Post #4015. We have held an introductory meeting and are busy collecting applications for potential Auxiliary members.
- Writing and preparing 2 new Resolutions to the Oregon By-Laws to be presented during Convention in June.
- Attended the National Mid-Year Cruise hosted by National VFW Auxiliary and National President Jane Reape.
- Will be attending the 2023 Legislative Conference in Washington D.C., March 5th through March 9<sup>th</sup>.
- Attending the Parade of Winners for Voice of Democracy during the Legislative Conference in Washington D.C.
- Attending Sr. Vice Training in Kansas City, Missouri, March 12th through March 15th.
- Getting my chairmen and appointed positions together for next year.

Wow, no wonder the year is flying by. Remember, if you are interested in a Chairmanship or an appointed position in the line, please reach out to me and we will have a conversation.

Loyally,

Happy Ground Hog's Day! Happy Valentine's Day! Happy Mardi Gras! Wow, for such a short month February has a lot of celebrations going on. Here is an idea to keep the good times rolling; why not celebrate our veterans' caregivers? The tireless people who help care for a veteran whether they are their husband, father, grandmother, sister, or just a friend deserve to be recognized and appreciated for all they do day in and day out.

This month would be a great time to plan a free lunch or dinner to celebrate these caregivers. If that is not feasible, why not a coffee get together or an ice cream social. You could even just mail them a card to let them know that you are thinking of them. There are a bunch of ideas you could come up with. I know how smart and creative you all are. I would love to hear your ideas and share them here and on our website. If you or our Auxiliary has already held an event, send me pictures and we will put them up on our website. If you are planning an event in the future, please take pictures and send them via email to me. I especially love to see all the neat things that are happening around our state. Caring for veterans and their families is why we exist. Let's not forget to show the caregivers our appreciation and celebrate them as well.

I have a question for you all; do you know the name of the local Veterans Service Officer (VSO) in your area? Do you have their phone number handy? I want to encourage you all to have that information at your fingertips. You never know when it might be needed.

Here in Central Oregon, we live in a tri-county area. I have all three County Veteran Service Officers' names and phone numbers in my phone. My challenge to myself this month is to add the State Veteran Service Officer's information to that list in my phone. My challenge to you all is to get the nearest Veteran Service Officer's name and contact information and put it in your smartphone contacts or address book if you don't have a smart phone. (However or wherever you keep your important names and phone numbers.)

Let's make this fun. Email me the name and phone number of the VSO closest to you by Feb. 28. March 1 I will send everyone who emails

### DEPARTMENT TREASURER

**Sonya Sallee**  
Department Treasurer  
541-429-1870  
ortreasvfw@gmail.com

Well, the year is slowly getting closer and closer to the end. I cannot believe how quickly they progress anymore. It just seems like the other day we were at Department Convention. It has been a good year and we still have a lot to get accomplished.

We really didn't donate a lot of money to the Voice of Democracy and Patriot's Pen programs, but remember the Auxiliary's programs, one of which is the Young American Creative Art Program that has been broken down to 2D Art and 3D Art. We also have our Scholarship program where we give one member or their family member \$1,000.00 for going to school the next year. We need more money for that and more applicants, so don't forget these programs! If you have some extra money in your relief fund, don't forget to contribute.

We need more membership!!! We have barely reached 90%+. If you have older members that haven't paid their dues, please pay them. Many have been members for a long time, you would hate for them to drop. Also consider paying their life membership and then you are done. Please discuss your unpaid members at your next meeting and be sure to check dues cards. If they are not up to date, ask them to pay.

Treasurers, please check the applications thoroughly before sending them to the Department Treasurer. I must have the recruiter's name, the auxiliary number, birth dates and correct addresses. It is your responsibility to get that information, and if you don't it just delays getting a new member in your auxiliary. Also if the member is recruited by the Post, write the recruiter's name on the bottom of the application and list a member of the Auxiliary as recruiter at the top. National does not accept Post members as a recruiter, and there has to be a recruiter's name on the application.

### NAT'L HOME/BUDDY POPPY CHAIRMAN

**Pam Seelye**  
Buddy Poppy/Nat'l Home  
503-266-1670  
pammysue7@yahoo.com

The "Buddy Poppy"® can be used as napkin holders, center pieces and many different decorations for tables and décor throughout whatever room or area you are using. You can add them to goody bags as a tie closure, that way all the yummy items inside won't fall out when you hand them out to children, veterans and the community. Take these goody bags to retirement facilities, senior adult centers, libraries, schools, and many other places I am sure you can think of. This is a great way to get the "Buddy Poppy"® out in front of your communities and other organizations. Conversations can come about from that little red flower that has such a meaningful history.

I received an email from the facilities and grounds director Todd Marriott from the VFW National Home on January 26th. In the email he informed us that new Oregon flags have been purchased for the home, the basement has been prepped and painted and the carpets have been cleaned. Because of your continued financial support of the Oregon Home these things can be done to keep our home livable and inviting. Way to go Oregon.

I want to encourage you to continue this work. The VFW National Home needs funds. They are getting hit with the changes in the economy like all of us are. But any little bit you can provide added to other auxiliaries little bit can make a big difference in the life of the families at the National Home. Purchase life time memberships to the Home for you are someone else. Bricks can be purchased to be displayed at the Home. These forms can be found on the VFW National Home website.

Purchase your poppies and distribute them. Display them at all of your activities whether it is an outside event or at your Post. The poppy can be with you everywhere you go, just like a faithful friend. No watering or feeding needed.

### DEPARTMENT CONDUCTRESS/VET & FAMILY Cont.

me a surprise for playing along. Be sure to include your current mailing address in the email. I will use your information to compile a master list of VSO's in our state to Post on our Department website under Resources. This way everyone will have access to this important information. Let's have fun this month by caring for our veterans' caregivers and playing the "get to know your VSO" game with me. I hope that you all have a fantastic February! Oh, and don't forget...

**REPORT, REPORT, report!!!** Year-end reports are due on **April 5<sup>th</sup>**.

### Outspoken veteran from Oregon City heading back to Texas

**(Copied from Oregon City News Online)**

Feb. 14 is Valentine’s Day and the anniversary of Oregon’s statehood, but it’s also the day that well-known veteran and longtime Oregon City resident DJ Ruger is moving back to Texas.

Ruger, 70, is credited as being instrumental in getting Medal of Honor recipient Larry Dahl’s memorial moved from the back of a parking lot to Clackamas County’s new Circle of Honor, where Ruger organized annual Sept. 11 remembrance events. Ruger was also a critical force behind getting an Oregon City highway and park named for Tyrone S. Woods, an OCHS graduate who lost his life defending U.S. civilians during the 2012 terrorist attack in Benghazi.

“I didn’t do any of this by myself,” Ruger said, thanking the many other veterans, politicians and average citizens who stepped up to help with the initiatives.

Ruger’s reluctance to take credit for accomplishments was not surprising to fellow Oregon City veterans advocate Shawn Dachtler, who called Ruger “a pivotal force” in many recent initiatives. A veteran of the Vietnam War active in Oregon City since the mid 1990s, Ruger was tireless in recruiting volunteers and grocery stores to allow veterans to accept donations from shoppers during the Veteran of Foreign War Post’s annual poppy drive, which over the past decade has raised about \$250,000 for the Post’s

community veterans causes.

“In general, the overall position of the VFW Post currently is mostly to his credit. For the Post to be focused outwardly and giving back so much to the community, that’s 100% his vision. Others may have helped in the success, but he was the force no doubt,” Dachtler said.

Ruger is known to be outspoken, to say the least, in his advocacy for veterans. He spoke publicly about “bureaucratic delays” in park construction, for example, saying he didn’t have “tolerance for political B.S., because I just have too many miles on my odometer to put up with it.”

VFW Post Commander Greg Arnold called Ruger a “great mentor” who “was never shy about expressing his opinion.” He was thankful that Ruger remains just a phone call away whenever he or other Oregon City veterans have questions or need advice. “Without him, I wouldn’t have had the success that I have had,” Arnold said.

### The Long Road Team Completes Journey Post 4227 Donates Team Long Road By Andrea Summerlin Post 4227 Commander

U.S. Route 20 is considered America's longest highway and for good reason. It covers 3,365 miles from Boston, Massachusetts to Newport, Oregon. This highway passes through twelve states and spotlights a variety of natural beauty.

Some individuals might have driven this route across our country. They would have spent about 60 hours (or about one week) traveling from one coast to the other. Have you even thought about walking this entire road? How would you even go about planning for a trip like this?

On 6 June 2022 (D-Day), Justin "JD" LeHew and Coleman "Rocky" Kinzer, both retired US Marine Corps Sergeant Majors, began a cross country adventure from Boston to Newport. Their mission was to bring awareness to America's Missing and Killed in Action from all wars and conflicts, Gold Star families. On 18 August 2022, they were joined in Elgin, Illinois by Marine veteran, Staff Sergeant Raymond Shinohara.

The Newport area and surrounding communities were anticipating the arrival of these three Marines and planned several events. The first was on their day of arrival, 17 December 2022 at the Vietnam Veterans Memorial in Newport. As the three Marines walked over the final ridge and saw the Pacific Ocean, Highway 20 was lined with supporters cheering and clapping. Perhaps they were attempting to complete their journey on 7 December, Pearl Harbor Day?

A ceremony was held at Don and Ann David Park at 1300 hours which included remarks by Newport Mayor, Dean Sawyer followed by the National Anthem sung by Sharon Biddinger. Presentations were made by State Representative David Gomberg, Lincoln County Commissioner Clair Hall and Toledo Mayor Rod Cross. Each Marine gave remarks and thanked everyone for their support. The ceremony was closed by singing the Marine Corps hymn.

On Sunday, 18 December 2022, the Newport National Guard coordinated a spaghetti dinner for the Long Road Team and community members. All funds raised were donated to the History Flight, a non-profit organization dedicated to researching and locating the remains of over 81,900 American service members still missing in action from past American conflicts.

Mike Petersen, Post 4227 Quartermaster was able to meet the three Marines in Toledo and presented a \$500 check to support their mission. In addition, several other members donated \$200. During his brief encounter with Rocky, JD, and Raymond, Petersen said "It was such an honor to meet them personally. Their journey has been very inspiring to follow."

Although they have completed the journey on America's Longest Road, LeHew, Kinzer and Shinohara, who all served together at one time or another, plan to continue raising funds and awareness to bring their fallen comrades home and provide closure to their families. *In your hands, O Lord, we humbly entrust our Comrades.*

*In this life you embraced them with your tender love; deliver them now from every evil and bid them eternal rest.*

*The old order has passed away: welcome them into paradise, where there will be no sorrow, no weeping or pain, but fullness of peace and joy with your Son and the Holy Spirit forever and ever.*

*Amen*
