Below: On November 11, 2023, Art Horsell Deschutes VFW Post and Auxiliary 4108 held their annual Veterans Day Chili and hot dog feed. We served approximately 275 guests. This event is free to veterans and their families and is just one of the ways we serve our community and honor those who have served or are serving. Not to mention the Auxiliary's homemade chili and cornbread that is always a hit! We also need to thank Franz Bakery Outlet in Redmond for donating all the hotdog buns!

Red, White and Blue Celebration at Redmond's VFW Post 4108 raises \$12,000 for local veterans

By KATZ news sources

Published November 2, 2023 10:18 PM REDMOND, Ore. (KTVZ) -- The Leadership Redmond Class of 2023, along with the VFW Post 4108, organized the first annual Red, White and Blue Celebration. This benefit fundraiser was a huge success, with attendees enjoying food, music, dancing, raffles, and a silent auction. The highlight of the evening was the MIA-POW table ceremony led by the guest of honor, Dennis Guthrie. (Past State Commander for Oregon VFW.)

This moment was a testament to the reason and cause for the celebration of the colors that unite America and deeply underscored the enduring sacrifices for our freedom.

Proudly sponsored by BasX Solutions, Redmond Industrial Park and Hooker Creek, this year's celebration raised an impressive \$12,000 for the local veterans of the Art Horsell Deschutes VFW Post. Proceeds from the event will be used for capital improvements, with a particular focus on procuring a brand-new HVAC system for the post facility which serves its members, auxiliary, all veterans, their families, and the public in our area.

Above left: Dancing to Cheyenne West band. Above right: Appetizer spread for the VIP Donors.

The Auxiliary to VFW Post 584 in Albany, Oregon, held a free breakfast with Santa event on December 16. They had 50 kids attend and served festive pancakes topped with whipped cream and sprinkles. Kids could also go to the cocoa bar and have custom cocoa made for them! Then they had a craft to do while waiting for Santa. Members also gave each child a treat bag filled with goodies and Santa gifted each child a gift and a coloring book.

Right: Some of the goodies VFW Post and Auxiliary 10580 helped Santa sort for Operation Homefront this past month!

Greetings Comrades and Auxiliary,

Christmas is over and we are just finishing up with Voice of Democracy, Patriots Pen and Teacher programs. Had a great turnout as every District had entries. We will be doing the final judging very soon. If your post has not sent their money to Department for Voice of Democracy, Patriots Pen, Teacher's, CMDR's project, Veteran and Military Support Program and the Service Office, make sure this gets done right away as money is needed for Voice of Democracy, Patriots Pen and the CMDR'S Project.

We are lagging on our membership! This is very important as membership is what funds the Department Budget and allows us to have such a great Service Office. Our job as members of the Veterans of Foreign Wars is to take care of our fellow veterans and it could be any one of us that needs help. So please get on your membership so we can continue to care for our brothers and sisters in need!

We had our Department Christmas Party on 16 December at the Grange Hall in Molalla. Thanks to all that attended, I hope you all had a fun time. Sorry for those that couldn't be there, but maybe next year. Thank you to Jessie Stober and your Gang; without you we would have starved ☺ ☺!

Just a short recap of November. It started with the Western Conference in Salt Lake City November 2nd thru the 5th. It was a good Conference. I had an uneventful trip home. The roads were clear, and I was glad to be home. On the 23rd I spent the day with the Carroll family for Thanksgiving. Thank you, George and Patty, for such a great dinner and day! On the 10th and 11th, I was in Albany for their Veterans Day Parade. It started with dinner on Friday night and ended with the parade on Saturday. If you

Take some time...

Take some time for yourself. Whether you are scrambling to get all the Christmas presents bought, getting all the ingredients you need for that perfect Christmas dinner, starting to plan for your New Year's Eve bash; take some time for yourself. And I haven't even mentioned all you do at your Posts before, during, and after the Holiday Season. It can all be very daunting, and you may ask yourself why am I doing all this? That is why, in my experience, you need to step back from it all and take a break. Learning to pace yourself is not always easy. We get used to a busy lifestyle and a lot of us have our military backgrounds to thank for that. But even in the military there is still time for a little R&R.

Whatever your daily routine is you can find a little time to just sit or lay down, all alone, even if it is just for 20 minutes or so. You can take a short walk after lunch, or maybe even start

Fellow Comrades,

Where does the time go? The new year is here, and your VFW Department team is busy with increasing membership, Mid-Winter plans, and assisting Posts and Districts as needed.

Thank you to all the District Commanders and Patriot Pen Committee Chairs. I received an entry from each District in a timely manner. The Department winner will be recognized at our Mid-Winter Banquet on February 3, 2024, at the Sheridan Airport Hotel in Portland. I know how much effort is devoted to this program throughout the year and I appreciate your hard work. Join us as we celebrate the leaders of tomorrow and recognize our winners (deadline is 1/25).

There are some veterans who miss certain aspects of military service such as working together as a team to accomplish a mission. Many of us miss the camaraderie and the bonds we have due to our shared experiences. If you are reading this article, you are already a part of the VFW Family. I ask that you educate others about what we do and promote our organization.

It is important to know your members and what their strengths and weaknesses are. Knowing your members can help you fill those positions needed to make a post run smoothly. You might have a member who enjoys working with youth, so ask them to volunteer with the VOD or PP programs. Another member might have a talent for writing articles, so they would be perfect for public affairs. The point is to match the skills of your members with the various Committees.

There are many activities being planned in 2024. Some of the upcoming events include:

VFW Legislative Conference –
Hyatt Regency – Crystal City, VA –
March 2-7, 2024

Dept. of Oregon Convention – Seven
Feathers Casino Resort, Canyonville,
OR Jun 12-16, 2024

125th VFW National Convention –
Louisville Convention Center, KY Jul
27-Aug 1, 2024

Western Conference – Ala Moana Hotel –
Honolulu, HI – Oct 31-Nov 3, 2024

Our members are the most important part of the organization. Without them, there would be no VFW. In the new year, let us listen to understand and encourage each other with our words. Joseph Addison said that "No one is more cherished in this world than someone who lightens the burden of another." Let us work together to lighten the burdens of others in need, especially veterans and their family members.

In Comradeship,

Andrea D. Summerlin

Greetings Brothers and Sisters,

Happy New Year, I cannot believe that my year as your Department President is half over. What a whirlwind it has been so far. Now that the holidays are over, I will be resuming my visits to each Auxiliary. I will email your President when I will be making my "unofficial" visit.

Well, we did not make 100% in membership by December 31st, but we didn't finish shabby either. We are currently at 96.73%. That only leaves 3.27% to be 100%, I know that is attainable. In numbers last year we had 4,524 members, as of today 1/1/24 we have 4,376 members. That leaves only 148 new or rejoin members left. Remember, every member that did not pay their annual dues by December 31st are no longer members in good standing. It is our responsibility to reach out to those members and offer to help with dues. Georgia has edged Oregon out as #1 in Division 5, let's move back to the top spot. The Western Conference is still #1 but the Southern Conference is catching up.

There are 19 Auxiliaries at 100% or more, 13 Auxiliaries at 92% or better, 3 Auxiliaries at 85% or better and 1 Auxiliary at 77%. Oregon is so close. Please do not quit recruiting when your Auxiliary reaches 100%, new members are the lifeblood of any organization. Let's introduce more people to what a great organization we are.

Mid-Winter Conference is coming up and will be held in Portland at the Sheraton Hotel Airport. Don't miss this opportunity to hear our Voice of Democracy and Patriot Pen winners read their essays. I hope to see you there.

Look at our website for updates on what is happening around the state.

have never attended their post's parade you should make it a priority to do so. It is "The Largest Veterans Day parade west of the Mississippi River."

Just a reminder that Mid-Winter is 2, 3 and 4 of February. If you need more information, go to the Department Website and you can find everything you need there. Albert Little has done an excellent job of getting the Website up and running and keeping it updated. He will also help you if you have any questions or problems.

The current National membership percentage is 89.46%. All Post Commanders and District Commanders need to look at MemStats. If you are below national's percentage, then you are holding them up on membership! I know we are better than this in Oregon, so I am asking for your help to get this done. Thanks, I appreciate each and every one of you!

Wishing you all a very Happy New Year. Be safe out there and we will see you in 2024!!

CIRCLE OF HEALTH—SHARED BY DEPARTMENT SR. VICE COMMANDER ANDREA SUMMERLIN

Circle of Health

For many of us, a new year allows us to refocus on our health and wellness. Some of us make resolutions to get healthier. If you have read about Whole Health, you may have seen the term, "Circle of Health."

Do you know what that is and how it can help you achieve a sense of well-being?

The [Circle of Health](#) is an important part of the Whole Health approach to care. [Whole Health](#) puts you at the center of your care. Instead of focusing solely on medical care—such as check-ups or prescriptions to treat illness or injuries—a Whole Health approach looks at your overall well-being. This means in addition to medical care, you may use self-care and complementary therapies, like acupuncture, massage, or yoga, to help meet your health goals.

Hello to all my Auxiliary brothers and sisters!

Now that Christmas and New Year's are behind us, my mind turns to the Mid-Winter Conference and Voice of Democracy coming up February 3, 2024. I look forward to seeing everyone and watching our amazing students being escorted by their District Commanders and District Presidents. Congratulations to all our District winners and to the Patriot's Pen winners as well!

I will have packets ready to distribute to all the District and Auxiliary Presidents, as well as Department Officers and Chairmen. Included in the packets will be forms and information you need to have before the Convention in June, so please open them and review all the documents in it. There will also be 50-50 tickets for the drawing in June, which I hope you will purchase to help Department's budget. Plus, you can't be a winner if you don't buy a ticket!

Program reporting for 2023-2024 ends March 31, so it is important for all of us to check in with our Auxiliary Chairmen and members before it is too late. Have you been reporting all your activities? Have you communicated with the Department Chairmen throughout the year? We know you all work hard, but if you do not report we have no way of knowing exactly what you have accomplished or how to decide on the awards to be presented at the Department Convention in June. The Mid-Winter Conference also gives you a chance to hear from our Department Chairmen as they update us on how the Department is doing as a whole. Take the opportunity to talk to the Chairmen and make sure they have been receiving your reports. Besides, it is always fun to gather as a group and visit. This is an opportunity for all the Auxiliaries to be at the same place at the same time. I know I look forward to seeing friends from all over the State at this event.

I hope you all had a blessed Christmas and that your New Year will be healthy and prosperous.

Loyally,

your day with a few moments of meditation or prayer. These are just some examples but there are many; it is whatever works for you.

Without tossing around any facts and figures, we all know what stress can do to us mentally and physically. We are all human and have a breaking point but there are things that we can do to never reach that breaking point. Comrades, we do a lot for veterans. I am proud to say that no one does more for veterans than the VFW. So many of us have a tireless desire in our quest to help veterans in need in our local Posts. But whatever you do, or how many hours/days you are at a task, you need to recognize your own personal limitations. So that is why I say, "Take some time for yourself." Step back once in a while for some self-introspection. All of us need a mental health or physical day off every now and then.

At this time of year we reflect on what last year was like and what the next year will bring. Take some time in that reflection to review your own mental and physical wellbeing, it is important as well. And once again, take some time...

Wishing all of you a Happy New Year!

Greetings Oregon VFW Department Officers and District Commanders,

I'm writing to ensure you know about the upcoming Spring National Legislative Conference to be held in Washington, DC March 1st through 7th. Please share this information with your Post and Auxiliary members. The core dates for most folks are March 4th - 6th. During this time, those attending will have a briefing about VFW national legislative priorities, an opportunity to participate in visits to the offices for Oregon's Senators and Representatives, and a chance to witness live testimony of VFW Commander-in-Chief Sarmiento before Congress. I have a tentative agenda. If you would like a copy, please contact me.

As your Department National Legislative Representative, I am actively working to set up visits to Oregon's elected delegation on March 4th and 5th. It's important that I have an accurate idea of who will be joining us for each visit, so **if you do plan to attend the conference, please let me know as soon as you can** at tonyandcathy@outlook.com, or by texting or calling me at [503-964-0822](tel:503-964-0822).

Please review the agenda and plan your travel accordingly. Note that the Voice of Democracy Parade of Winners is scheduled for the night of March 4th at 6:00 PM, and I hope you join me at that special event. Also, I will schedule a time and place for us, as a Department, to gather together and go over the plan for our specific visits. That will likely be either right before or right after the Advocacy in Action session on the morning of March 4th.

Best Regards,

Anthony "Tony" Barber

News from the National Council of Administration

Legal Counsel

We have received some questions recently on a new law that is about to become effective. *The Corporate Transparency Act* passed in 2021, included a reporting requirement called the Beneficial Ownership Information Reporting rule, which will go into effect on Jan. 1, 2024. It generally requires entities doing business in the U.S. to disclose information to the US Treasury, under the Financial Crimes Enforcement Network (FinCEN), about individuals who directly or indirectly own or control a company.

Under this ruling, there is an exemption for tax-exempt organizations. The entity qualifies for the exemption if they are organized under 501(c) of the IRS Code of 1986 and are exempt from tax under section 501(a) of the Code. An entity also qualifies if it is described in section 501(c) of the Code and was exempt from tax under section 501(a) of the Code but lost its tax-exempt status less than 180 days ago.

In summary, Posts, Districts and Departments who are a 501(c) [including 501(c)(19), 501(c)(3), and 501(c)(4)] and who are currently exempt with the IRS do not have to report to the FinCEN. Also, Posts, Districts and Departments who are a 501(c) and have lost their exemption in the last 180 days do not have to report to the FinCEN. If a Post, District or Department has lost their exemption more than 180 days ago, they must file with the FinCEN, as must any entity not organized under 501(c).

I hope everyone had a blessed and safe holiday time, that you were able to enjoy spending time with family and friends or just relaxing and getting energized for the new year that is before us.

Please continue to send in your monthly reports if it is applicable. It makes reporting at the end of the year easier for you and for me.

It makes me sad to say that our scholarships are lacking in donations. At this time without more donations, we are going to be unable to provide very many scholarships this year. I know that many of us are struggling to make our funds go to all the places they need to. Any amount that can be donated added to everyone else's donations can make a difference. If it is possible for you to donate or make an added donation towards our scholarships, please do so. It can change a person's life for the better.

Wounded Warrior Project Awards Grant to VFW Pre-Discharge Claims Service

Funding will help sustain the VFW's vital VA claims services provided to transitioning service members

WASHINGTON (Dec. 18, 2023) — The Veterans of Foreign Wars (VFW) is proud to announce that it has been awarded a \$250,000 [Wounded Warrior Project](#)® grant that will continue to aid the VFW's efforts to assist and ensure transitioning military receive their earned disability compensation benefits from the Department of Veterans Affairs.

Since its first award to the VFW almost a decade ago, the WWP grant is specifically targeted to support the Pre-Discharge component of the VFW's National Veteran Service program, an effort that last year helped the VFW to file more than 13,000 claims on behalf of transitioning military servicemen and women at the 12 VFW Pre-Discharge sites, some of which are at located at America's largest military installations. Collectively, the VFW's nationwide cadre of VA-accredited Pre-Discharge claims representatives helped secure more than \$82 million in earned disability benefits for transitioning service members in fiscal year 2023 alone, powered in part by this grant's support.

"Wounded Warrior Project's commitment to ensuring service members can transition successfully into civilian life is phenomenal," said VFW National Commander Duane Sarmiento. "Year after year, WWP continues to support the VFW's Pre-Discharge program knowing the impact it is having on the lives of new veterans. We wouldn't be able to reach as many military men and women, connecting them with their earned VA benefits, if it weren't for generous partners like WWP. Thank you!"

The grant will help sustain Pre-Discharge operations at more than 20 military installations across the nation and Puerto Rico, supporting transitioning servicemembers at: Camp Pendleton and Naval Base San Diego, California; Fort Carson, Colorado; Fort Stewart, Georgia; Fort Riley, Kansas; Fort Campbell, Kentucky; Joint Base Andrews and Walter Reed National Military Medical Center, Maryland; Nellis Air Force Base, Nevada; Fort Drum, New York; Camp Lejeune and Fort Liberty (formerly Fort Bragg), North Carolina; San Juan VA Regional Office in Guaynabo, Puerto Rico; Fort Bliss and Fort Cavazos (formerly Fort Hood), Texas; Fort Bliss, Texas, Fort Belvoir, Joint Base Myer-Henderson Hall, Naval Station Norfolk and Marine Corps Base Quantico, Virginia; Ft. Meade, Annapolis, Navy Yard and JB Anacostia/Bolling, Washington, D.C.; and Joint Base Lewis-McChord, Washington. Membership in the VFW is not required to receive its free, professional claims assistance.

In your hands, O Lord, we humbly entrust our Comrades.

In this life you embraced them with your tender love; deliver them now from every evil and bid them eternal rest.

The old order has passed away: welcome them into paradise, where there will be no sorrow, no weeping or pain, but fullness of peace and joy with your Son and the Holy Spirit forever and ever.

Amen
