Greetings Comrades and Auxiliary.

Well Convention is over and time to get back to work. I want to Thank all of you for your trust and support in allowing me to be your Commander. It is an honor and privilege. It's now time to get to work on our Programs and membership.

I will be holding 2 SOI's in July and August. When dates and locations are firmed up I will post them.

As we roll into a new year, I would like to thank all those that stepped up last year to help make our Department great. At the same time, I would like to thank those that have stepped up to help lead us in another great year.

The time has come for a "wake-up" call to all Posts and Districts. There are 19 Posts within our State that have failed to complete all requirements as outlined in our By-Laws. The quickest way to lose a Charter is by failing to meet your requirements. I would hate to see Posts and/or Districts go away because members are not willing to do their sworn duty. Election reports, audits, delegate fees and bonding must be done immediately. If in question, please call the Department Headquarters and ask what all is needed by your Post/ District.

As the newly elected Senior-Vice Commander I look forward to making my first trip to VFW National Headquarters in Kansas City for the National Convention July 16 – 22, 2022. I will do my best to represent our State to the best of my ability.

Thanks to all, may God bless.

When I sat down at my computer this afternoon, I had an email stating that the articles for the Department Newspaper were due by the next day. So, I looked at my Colander to see what tomorrow held for me. The only thing written down on Friday, June 24, was my appointment to donate blood. I have been a regular blood donor since 1974 and have donated over five gallons of blood. So, why is that?

Well to begin with, for every pint of whole blood donated, it has the potential to save three lives. Out of that pint the Red Cross separates it into whole blood cells, plasma, and platelets. Hence, the potential to save three lives. If the receiver is an infant in the Neo-Natal unit of a hospital, the infant only needs a tablespoon of whole blood to survive. Yet, statistics indicate only five to six percent of the American population will take the opportunity to "Give the Gift of Life" one pint at a time.

Now, I promise I'm not having flash backs to my days as Department Surgeon. I will leave that to my friend Bert Little. But I believe that donating a pint of blood is one of the most important things a person can do to help saves lives. At this time most surgery centers have put all elective surgeries on hold due to the crisis of blood shortages. So, if you are like so many of us and need a new knee replacement or two, it may not happen in what you would consider a timely matter. Bummer, isn't it? All because people don't see the necessity of stopping by a donation site to help out.

I have heard all the excuses people make as to why they don't donate, and most of them aren't what I would really call a valid excuse. I heard it takes too much time, that a potential donor can't stand needles, and even say that at one time they contracted a rare and little-known tropical disease. Believe me; I get it. But for an investment of about fifteen minutes and a quick needle prick, you have helped to potentially save three people's lives. So please, go to [www.redcrossblood.org](http://www.redcrossblood.org), and find a donation site near you. The life you save just might end up being someone near and dear to you.

As Veterans we've all been called on to face the potential of shedding blood for our great Nation, and many of us did. I'm asking Veterans to once again take a half hour out of your day to shed another pint. The second-best part of donating is after the donation you get treats to eat and a choice of things to drink, and to reflect on the good thing you just did.

Happy New Program Year!  
Program year 2022-2023  
has come upon me so fast!

It seems as if my guard position was only yesterday. It has been an enjoyable trip, however way too short. It is my hope to do the best I can for you and for the Department of Oregon Veterans of Foreign Wars Auxiliary. I look forward to representing you when I travel throughout Oregon and when I attend meetings, trainings and Conventions wherever.

In the beginning when we signed our names on the membership application, we solemnly promised that we would never wrong or defraud this organization nor member thereof nor permit either to be wronged if in our power to present it. We would never propose for membership any person not eligible, according to our By-Laws. We further stated we believed in God, we would be faithful to the United States of America, obedient to the laws and loyal to the Flag. Should our membership with this organization cease in any way, we would consider this obligation as binding outside of the organization as though we had remained a member. We so promised.

We attested we were not eligible for membership in the VFW. We further attested that the above was true and correct to the best of our knowledge, including our stated relationship to the Veteran. And we did this in the presence of Almighty God and the members of this organization.

We are losing our members due to death, boredom, lack of interest and for other reasons. It is my plan to increase communication to all members in all corners of our fine state so that we can build our membership this year. I expect all to do what they can.

I feel that it is our responsibility to listen, enjoy and learn how to help with programs and projects to assist our auxiliaries and our veterans.

If we look back to the initial reason we signed our name on the dotted line, we should ask ourselves, "did we sign to help or sit back and let others do all the work?" "Are we using covid, age, work, etc as excuses as to why we aren't doing all we can for veterans and their families?"

Training is important in any job, whether or not we get paid for it or whether we volunteered to do it. We have so many avenues of resources created for us. We have our Ritual and By-Laws book; Building on the VFW Auxiliary Foundation training book; the book outlining Oregon's officer positions and what is expected; the Oregon website where the Department of Oregon Chairmen post monthly information which, if read, will help with programs; MALTA on the computer; National Ambassadors for every program post information on the computer monthly; and handouts during the yearly Training Academies put on by our Department Chairmen. We offer so much help to all the members, so please take advantage of this help. Resources are available for all, so get familiar with the wonderful help that is there to make each program be successful.

Comrades,

I want to thank the membership for allowing me to serve as your Surgeon this past year. For the 2022-23 year, I will be serving in the Judge Advocate role and would appreciate your support.

As your Judge Advocate, I encourage all officers and members to be familiar with our National Bylaws and Manual of Procedure. These are our guiding documents along with the Robert's Rules of Order, Newly Revised, 12<sup>th</sup> edition. It is important to invest in the tools needed to manage your post effectively. If you are on social media, there is a Facebook Public Group called "VFW Parliamentary Procedures and Learning". It is managed by our National Parliamentarian, Joshua Schreck. He posts many excellent resources and answers questions that are posted.

Make sure to order copies of the new Podium Edition at the VFW store for your officers (<https://www.vfwstore.org/products/22690>). This is the "bible" of our organization and contains the VFW Congressional Charter, Bylaws, Manual of Procedure and Ritual. It is spiral bound so that it lies flat when opened to any section and has easy to read large type. The cost is \$7.25 but it is well worth the money spent to have the information.

It is critical to develop a post calendar with deadlines and due dates. The Department is still missing Election Reports from 19 posts. Six posts have not been bonded. 17 posts have not submitted audits and 27 posts did not pay their delegate fees. Four posts have not submitted any paperwork this program year and are in jeopardy of being suspended. This is completely unacceptable! These items must be submitted to Cheryl Campos, Department Quartermaster/Adjutant, on a timely basis.

The District and Department leadership is here to help make your VFW Post and Auxiliary successful. Please do not hesitate to reach out to me with any questions or concerns.

In Gratitude,  
Andrea D. Summerlin, Judge Advocate

State Surgeon  
Albert (Bert) Little

I would like to thank my fellow Comrades for their support in allowing me to serve as your State Surgeon for the upcoming year 2022-2023. Congratulations to Commander Dennis Pratt and President Valorie Wrinkle, and all the members of the planning committee, on a great 101<sup>st</sup> annual Department Convention. With the COVID-19 causing cancelation of events, zoom meetings, mask wearing and finally opening to almost normal operations, you both did an outstanding job in keeping our comrades informed on what the State and National has been doing. The zoom training took hold and most posts and districts adapted to this new technology with almost open arms.

Department Surgeon will assist the district and post Surgeons in helping them to promote the health and wellness programs for their membership.

Last year's Surgeon started some programs which I will be continuing to ensure your post and district receives the best information we, as the department can give you.

If you are a Veteran or know of one that needs assistance, please give them the Crisis hot line 1-(800) 273-8255 press 1, or text message to 838255 to receive confidential support 24 hours a day. A new mobile line is being set up using 988 on your cell phones.

If you have any questions or concerns, please contact me at [bdlittle1020@gmail.com](mailto:bdlittle1020@gmail.com) or (503) 739-1071. I look forward to serving Commander Allen Anderson, his leadership team, fellow veterans, and their families.

I look forward to working with you this year.

Albert (Bert) Little, Department Surgeon

DEPARTMENT PRESIDENT Continued from pg. 2

If you are reading this and you know someone in your auxiliary does not have a computer, copy any information that would be helpful to that person and make them more knowledgeable to do their job easier.

If you have any questions, please ask. We are here to help but if you keep it to yourself or complain about whatever, you will only harm yourself, your members, and others who might be listening.

We need to remember to do unto others as we want them to do unto us. The saying doesn't say: DO TO OTHERS BEFORE THEY DO TO US. Treat them with kindness, understanding and love.

We will have a fantastic year if we work hard and well with others and for others.

Remember to **Bee All You Can Be For Our Veterans And Their Families.**

I **believe** that with the line officers, committee chairmen, and complete staff of the Department, we will do better with our communication, attitudes and overall demeanor this year. We will build on the progress that the newest Junior Past Department President and her 'staff' started, which she built upon on from the previous sisters and brothers, and so on and so on!

We had a great Convention and a number of members received recognition for what they accomplished with their respective auxiliary members. Please remember we are NOT an Auxiliary or Department of ONE! It will take all of us to accomplish what we said we would do.

**IF WE REMEMBER THAT HANDS THAT SERVE, AND HEARTS THAT CARE we will be able TO BEE ALL WE CAN BE FOR VETERANS AND THEIR FAMILIES.**

**Let's go forth and bee buzzzy for others. Make Oregon SHINE!**

Hello Brothers and Sisters of the Auxiliary!

This is just a quick thank you and a short recap of our State Convention at the Mill Casino in North Bend this past June.

What a blast we had at our State Convention! I had certain things that I wanted to see happen during our convention, and we managed to do them all! I was so honored to have our National President Jean Hamil as our National representative. Turns out, she was able to pick three Departments that she wanted to visit, and she picked us as one of them! Wow, what a thrill that was for all of us. My favorite part, besides watching her approach the President's station through the Aisle of Honor, was when Jean agreed to march with us during the Cross of MALTA and Jean and I were dropped off together. That is a moment I will never be able to experience again, and I am so happy I got the chance.

Another highlight of Convention was when our National President received a text announcing that National had reached 100%+ in membership for the first time in 5 years! At that point, our Department only needed 117 members to reach the same goal. Suddenly, just as we were preparing to have a short break to prepare for the installation of officers, Past Department President Cathy Lindsay stood up and offered a donation as a Dues Angel. Suddenly voices were coming from all around the room, one after another offering dues donations. By the time it was all over, we had \$700 donated to our membership fund. Thanks to those generous donors, Oregon made 100%+ in membership as well! My heart was full witnessing the dedication of our members in action, and so spontaneously.

Congratulations to all the incoming Department officers. I pledge my support to Incoming Department President Debby Fawver and promise to help wherever and whenever I can. I also want to thank everyone for the prayers as John has faced health challenges. It is not easy for John to slow down and take it a little easier. The spirit is willing, but the body cannot keep up with all he wants to do. We just celebrated 48 years together and we hope to celebrate our 50<sup>th</sup> in 2024!

Personally, and I may be a **little** biased, but I think the members of the Department of Oregon are some of the most wonderful people I have ever had the privilege to know. I may no longer be your Department President, but I want you to know that I will continue to work for this organization and for our veterans for as long as I am able, and I am proud to be part of you.

Loyally,  
Valorie Wrinkle, Jr. Past Department President 2021-2022
