Greetings Comrades and Auxiliary members. I want to thank all of you that worked so hard to make our Mid-Winter Convention successful.

George Carroll and I have been doing a lot of weekend recruiting at the Sportsman Shows. They are not as good as they used to be but are still producing new members so we will continue to work on them. We have two shows left in March to do.

I will be leaving on Saturday the second of March for Washington DC for the Legislative Committee meeting and for the National Voice of Democracy judging. It is such an honor to escort our Oregon winner Hope Wright from Madras across the stage.

I personally would like to thank those of you that are working on your membership programs! Those of you out there that are not doing membership need to get started on it!!! Everyone knows membership is what funds our VFW Department and the Service Office and it is our job to ensure we have funds to do this and do our programs. I have a meeting on the 5th of March with the National Commander as we are not where we are supposed to be so I am sure that I will get some direction on what he wants me to do to accomplish this goal!

We are only 4 months away from the end of this year. Remember that the first round of nominations for offices in your post is in March! Select wisely so you can have a successful year next year and support Andrea Summerlin as the next State Commander!

Have you heard of the “Inside RX Prescription Savings Card Program?” It can help you and your VFW Post be a community asset in raising program funding for the Veterans of Foreign Wars. Inside Rx, powered by Express Scripts, one of the nations largest pharmacy benefit managers, has been a VFW partner and provided a membership benefit since 2018. It is the only program that offers exclusive discounts on over 300 featured brand name drugs, although there are some restrictions that do apply. Prescription savings cards are free to download with no membership or sign-up required. And it can be used if an individual is insured or experiencing high, out-of-pocket costs for certain medications.

Why use Inside Rx? Inside Rx is an all-access pass to affordable brand and generic medications. The best part? This card grants you incredible savings up to 80% of nearly 60,000 participating retail pharmacies (including all major chains) nationwide. No insurance? No problem. If you have no insurance or have experienced high out-of-pocket costs for you or for your medications for any reason, give Rx a try. They work with pharmaceutical manufacturers

STATE SR. VICE COMMANDER

Andrea Summerlin
Sr. Vice Commander

Fellow Comrades,

For those who were able to attend our Mid-Winter Banquet at the Portland Sheraton last month, you had the chance to meet our youth scholarship winners. Listening to their speeches made me realize they will do great things in the future. They were all very inspiring and motivated to share their talents with the world and make it a better place. We also had a chance to become better acquainted with our National Senior Vice Commander in Chief, Al Lipphardt, and his wife, Carol, visiting from Georgia.

We are still focused on increasing our membership so we can reach at least 100% by the end of the program year. Do your part by sharing the VFW story with other eligible Veterans and/or family members. Membership is everyone’s job, not just one person, so get out into your communities and be engaged, as that will attract new members.

Can you believe that in a few short months, we will meet again in Canyonville for our June Convention? Not only am I excited about where our Department is heading in the future, I am also reflecting on all that we have accomplished over the past few years and how we plan to finish the year strong under Commander Anderson’s leadership. I would like to applaud the guidance of our PDCs that have provided strength and unity during the pandemic and after the loss of several of our beloved PDCs.

Recognizing the loss of organizational knowledge with those comrades that have passed, I would like to focus on getting back to the basics and evaluating how we are executing our programs. Getting back to basics includes treating each other with respect, demonstrating professionalism, encouraging mentorship, displaying transparency, emphasizing teamwork, being proactive vs. reactive and improved communication at all levels. We will continue to build on our strong foundation by ensuring comrades are provided the necessary resources and training to be leaders.

Have you heard that motto “We have always done it that way,” and doesn’t it cause frustration when new ideas are brought forward and there is strong resistance to change? One concept that Al has emphasized to our class is to not be afraid to try something different. If the VFW is going to last for another 100 years, we need to be creative and bold with our ideas. It will take each one of us to keep this Department moving in the right direction, but I have complete faith that we can do this together.

In Comradeship,

Andrea D. Summerlin, Sr. Vice Commander

Greetings Brother and Sisters –

February was our Mid-Winter Conference at the Portland Airport Sheraton Hotel. I want to thank all of those who attended. It is wonderful to look out from the podium and see familiar faces. Secondly, I want to thank my Line Officers, not one was missing, Third, all of my chairmen showed up and produced wonderful updates of where we are as a Department on our Programs. Lastly, but certainly not least, my floor team. You were amazing and again no, pro-tems, everyone showed up. I was proud to show our National Representative, Lois Callahan, National Jr. Vice President what the Department of Oregon has to offer. My heart is full, the Department of Oregon showed National that we are a well-oiled machine, working for the benefit of our Veterans and their families. I was so proud to be your President during this conference.

If you have questions on programs, reach out to your chairmen, they have proven they know their programs and are ready, willing and able to answer your questions.

I can’t end this article without telling you where we are on Membership. Currently, we are at 98.08% in membership. That means we need 87 renewals or new members. Woo Hoo!!

Loyally, Cookie

directly, which helps to keep certain brand medication prices as low as possible. Sharing is caring; with the Inside Rx card, prescription savings can be shared with the whole family!

Here are some notes on how you can use Inside Rx.

- You need a valid prescription from your physician.**
- It is FREE to use! No registration or enrollment necessary and no expiration date.
- Present your Inside Rx Prescription Savings Card to your local pharmacy and begin the savings.
- Medication pricing can be found at [Insiderx.com/VFW](https://insiderx.com/vfw). Or you can download the mobile app on your smartphone (get your grandson/granddaughter to show you how, Ha! Ha!) for free from this website link.
- Anyone can use the program for generics. For featured brands, there are some restrictions with age and those who are federal health plan beneficiaries.
- Questions? Customers can email questions@insider.com or call (800) 722-8979, 7 days a week from 8 am to 9 pm EST.

So how does this help the VFW? When a consumer uses the Member Benefits link, <https://insiderx.com/vfw> the VFW receives \$1.00 for every time a card is utilized to fill a prescription. All monies raised go to support VFW programs and services.

To learn more about the Inside Rx Prescription Savings Card Program or if you’d like to have cards sent to your VFW Post, contact Ben Vargas by phone at (816) 968-2720, or by email at bvargas@vfw.org.

Greetings Brothers and Sisters;

We just returned from Mid-Winter in Portland, OR. The Voice of Democracy winners were outstanding. If you were not there you missed some awesome essays. This are our future and WOW there is hope. Congratulations to each of the District Winners. The Patriots Pen winner did an excellent job as well as the two Teachers of the Year. The dinner was fabulous, and everyone enjoyed the program.

We welcomed our National Representative Lois Callahan, National Jr. Vice President. She enjoyed herself and we enjoyed her.

We are so close to the 100% in membership. Our President Debbie "Cookie" Little put out her own challenge. The person who recruits the most members before June 30, 2024, she will give you \$200.00 cold hard cash. Recruit one new member and receive a \$5.00 Amazon gift card. We only need 87 more new members to be 100%+. Let us do all we can to help Oregon Shine once again and let us work to have our President walk the red carpet for the Circle of Excellence for US. Come on Oregon! We can pull together and get that 100%+. We CAN do it.

Loyally,

Deb Duggan, Sr. Vice President

I know you have heard this from every one of our Department Chairmen, but it bears repeating! Our program year ends March 31, 2024. That is a short 4 weeks away! I hope you have all been sending your reports in monthly, but at least make sure they are all to the Department Chairmen on time so they can compile their Award information! You can be doing the best work of anyone out there, but if you are not reporting it, the Chairmen cannot consider it in their decision making!

Even though the reporting for programs ends March 31, 2024, membership does not! Keep recruiting and keep checking on your unpaid annual members to see if you can bring them current. You have until June 30, but wouldn't it be great to get your Auxiliaries to 100% by the time of Convention, which starts on June 13, 2024? I want to see us celebrate 100%+ membership in the Department of Oregon together. If you need help to reach your goal, let me know and I will see what I can do to get you that help.

Auxiliary Presidents, if you were at Mid-Winter, you were handed a packet of information and forms. I hope by now you have gone through those packets and pulled out the forms you need for the end of the program year. I also put Ways & Means 50/50 tickets in there. Either sell the tickets, or have your Auxiliary purchase them. The drawing will be at Convention. We could all use a little extra money, right? The cost of the tickets is only \$1 each or 6 for \$5, so for less than the price of a coffee from Starbucks, you could win big! Plus, the sale of the 50/50 tickets will help your Department with their budget. The cost of everything is going up, so every little bit helps.

If any of you need help with anything, please call or email me. If I am unable to help, I can direct you to someone who can. Do not be afraid to ask questions. We want you all to be successful and we are here to help.

Stay safe and warm and take care of each other!

Respectfully,

Valorie Wrinkle, PDP/Department Secretary

Wow! I can't believe it is March already. This has been a great year for the VFW Auxiliary in Oregon. Everyone has come together to work on our programs making them the best that we can. Our members have promoted, encouraged and actively done so much for our veterans, communities and children.

This year's winner of the Patriot Pen is Sienna S. Malekzadeh sponsored by Post 4029 out of District 13. The winner of the Voice of Democracy is Hope E. Wright sponsored by Post 12141 and the Auxiliary from District 10. Congratulations to these two ladies. I want to congratulate all the District winners. You are winners every one of you. Congratulations. Your future looks bright.

For scholarships we only have one application deadline left for this year and that is the Young American Creative Patriotic Art Contest & 3-Dimensional Patriotic Art Contest. March 31st is the deadline for these entries. These entries are due to the local VFW Auxiliaries by March 31st and then to the VFW Auxiliary Department Chairman by April 15th. These contests are open to any student in grades 9-12 by March 31, 2024.

Don't forget your year-end reports. Your report is due to me on or before April 5th. I cannot encourage you enough to get this report in on time. This is a time for you to showcase your wonderful accomplishments for the year. I am looking forward to seeing all that you have done.

Each tournament will have a different theme to help include each military faction as well as the general public. The event is all good FUN to raise awareness and funds for VFW PACT Act benefits assistance and to support our veterans.

This is a celebration of our veterans, the people who fought for our country with the selfless spirit that defines our communities. It is a two-day event where we set aside ego and come together to raise awareness and funding for our VFW Accredited Service Officers.
