Comrades,

As this Command year comes to a close, I would like to thank all of the comrades that have worked out a way to get the mission done even with all the road blocks that we have had to deal with this year. The Officers at the Post, District and Department levels took office during an unprecedented shut down. I am sure that most of us hoped that we would be out of the shut down and back to normal and full operation by now, however it does not look like we will get out of this mess for the rest of our Command Year. We can only hope that the Governor will let things open for next year's Officers. I hope that no Commander at any level ever has a year like this again. If they do, they will at least have some idea how to get through it. I think that we have found that Zoom (or one of the other electronic meeting forms) will be a part of our meetings from now on.

We ended last year on shut down and many Posts came up short on membership. I am asking that each Post try to reach 100% of last year's ending number. We cannot afford to have a down year let alone two in a row.

Operation September Freedom: Get your WW2 Vets Signed Up!

Last month I was tasked with gathering and submitting names of World War 2 veterans to Dream Flights so that they can experience a twenty-minute ride on a WW2 Era Bi-plane. This is a nationwide event to honor these veterans and I need your help.

Operation September Freedom is an effort by Dream Flights to provide a free Biplane ride to every living World War 2 veteran in the United States. The flights will start on August 1st and end on September 30th. The Biplanes will leave from different corners of the country going from airport to airport on their way to Illinois. Each stop along the way they will be giving the veterans their free ride. After a celebration in Illinois the planes will then head back taking a different path going from airport to airport. Exact location of the airports is still not known and will be determined once the list of names from around the country have been submitted.

Based on the graphic on the website, <https://dreamflights.org/operation-september-freedom/> one of the planes will be starting in Washington State on the first leg and returning through Oregon in September. The deadline to nominate the

Sisters, Brothers and Comrades,

It has been an honor to serve as your State President. I would like to thank you all for your support and many courtesies shown to me this past year.

It has been a pleasure working with my line officers and chairmen. We broke new ground and came into the virtual world finding new ways to achieve our goals with Veterans, their families, and our programs.

Thank you, Department Commander George Carroll, for supporting the Auxiliary. We had some tough hills to scale.

Thank you to my "Chauffeur and the love of my life" Rick Higgins for your never-ending support and patience.

Fires, Floods, and the Coronavirus Pandemic. We made it. I cannot thank you all enough.

Best wishes to next year's officers.

"Our Heroes Wore Dog Tags and Combat Boots."

Loyally,

Debra Wright
Department President

CHIEF OF STAFF/NATIONAL COUNCILMEMBER OR

John Wrinkle
Chief of Staff/Nat'l Council Member Oregon
541-678-3895
wrinkle4108@gmail.com

Comrades,

Believe it or not, your National Organization has been working hard for you on a variety of issues. As your representative on the National Council of Administration, I have voted on some especially important issues:

Voted no to changing the Voice of Democracy Parade of Winners held in Washington D.C. The proposal was to allow only the top five Department winners to attend the National Convention instead of bringing all the winners to D.C. My reasons for the no vote are simple. I received an unsatisfactory answer to my question regarding the status of the National Legislative meetings held in D.C. during the same time period as the Parade of Winners. National offers a stipend to all Department Commanders to attend the Parade of Winners, and most of them take the opportunity to “storm the hill” along with the Legislative team. Altering this program would strip our delegation when we present our legislative priorities to our Representatives and Senators, lessening the impact we have on them. The majority of Council members voted no to changing the Voice of Democracy Parade of Winners program.

Voted yes to setting up salary ranges for the top 7 National paid employees (Adjutant General, etc.) and no to cutting the salaries of our top 3 elected officers (Commander-in-Chief, etc).

Approved mid-year budget.

Voted yes to approve the change of venue and schedule of events for our next National Convention. The convention has been moved to Kansas City, MO, July 30 through August 3, 2021 because Baltimore is not open due to COVID restrictions. The Kansas City hotel arrangements have not been finalized as of this time. A modified working agenda has been approved: (1) no joint opening; (2) no special opening guest speakers; (3) start of business will begin on Saturday with the Appeals Committee, Budget and Finance, and Council of Administration. Sunday morning there will be no memorial service and conference meetings and committee meetings begin. Monday will be business meeting with nominations and Tuesday will be business meeting and elections and Council of Administration. The VFW Store will be there along with limited vendors. If you or your Post paid your National Delegates fee for Baltimore, the information will carry over to Kansas City. All members in good standing that have paid delegate fees are welcome. Downtown dining may require masks. All this may change due to COVID, etc.

Fair winds and following seas,

John R. Wrinkle

veteran is June 1st. If you want me to do it, I will need their information by May 24th so I have time to get them in the system.

You will need to supply the information that is on the form attached here, but it is easy to go online and nominate them after that.

This venture promises to be a fun time for WW2 veterans and your post as you are out there on the airfield waving flags and cheering them on. I know Susan and I will be present at every one we are able. We are looking forward to meeting them and listening to their stories. It should be a fun and interesting time for all

STATE COMMANDER Cont. from pg 1

This year has brought with it some problems. Some have been small and some not so much. As we work through these, I know that not every one is going to be happy with the outcome of every incident. I would remind you that if you do not want the District or Department involved in your Post's business, you need to learn to work together. When someone else has to get involved, you may not like the outcome.

I am asking that everyone work to get all the boxes checked off. We are coming to the end of the year, so there is not much time left. Remember why you became a member in the first place. We need to make it happen even when it is not easy. I am also asking that every Post report Community Service. If you do not know what program something fits under, call or email Richard Halverson at 509-948-4992 or email richhalver-son55@msn.com. I am not worried about how much you report; just that you report something.

Brothers & Sisters of the Auxiliary,

I look forward to seeing some of you at our State Convention to be held June 9 through June 13 in North Bend at the Mill Casino. It will be so nice to get together in person, even if the Banquet is limited attendance.

We have worked hard this year, in spite of the challenges we all faced. I want to thank our Department President, Debra Wright for leading us this past year. I know you had a tough job navigating the COVID-19 crisis, among other challenges. Hopefully our next year will be easier and this virus will be under control.

Remember, our program year ended March 31, but our membership year goes through June 30, 2021, so don't stop recruiting and encouraging annual members to renew their dues. It takes all of us to do justice the mission.

See you soon,

Valorie Wrinkle, Sr. Vice President

Dear Members,

This year-end reporting has been done. I want to thank all those who reported their Auxiliary activities for the Historian Program, as well as the other Programs. It is with all that you as Auxiliary's do, that we can reach out to all the Veterans, Families, and Communities in our areas. Please continue your hard work, using the skills & knowledge of each of your members. No man is an Island, it takes a team to be able to work together, finding new ways to reach out to those who need our help.

Since we will be starting our new year term, please remember to record all the work & love you do for your communities and send in those reports to the New Program Chairmen once they have been announced. This is a new year, a time we can start fresh. Let's make this a Great Year. I hope to see you all at the State Auxiliary Convention, June 9-13, Mills Casino in North Bend/Coos Bay.

May God Bless and keep you all in His care.

Hello Brothers and Sisters,

The year is coming to an end for 2020-2021, but our work is never done. Keep on following the programs and make sure you report anything that you are still doing. Keep your Program forms for the next team coming up for 2021-2022 and report to them.

I want to thank everyone for their hard work this year it was greatly appreciated. I know Madam President Debra also appreciated everything you have done.

If any auxiliary needs help, please do not hesitate to call Chief of Staff Cathy Lindsay. I am still here for you.

Loyally,
Catherine Lindsay

AMERICANISM

Debby Fawver
Americanism Chairman

I just submitted the first, second, and third place winners to our Department Secretary and President. I was impressed by the types of things some auxiliaries thought of doing during the crazy year we just went through. It is good to see how our minds can work even though we were shut down most of the year. Some members didn't let the shutdown stop them from coming up with some creative ways to continue to teach others what Americanism is and what we Americans could be doing to impress upon our fellow citizens that this is the best place to live. We have an obligation to teach the youth the truth about what millions of Americans did to make sure they have the rights they have in 2021. It is up to us to make sure this nation doesn't go down the tubes and allow another ideology to take the place of freedom, the Constitution, and the Bill of Rights.

We need to be brave enough to open our mouths and shout it from the highest building or mountain if necessary to change the direction that we find ourselves heading now in 2021.

See the Oregon VFW Auxiliary website for some dates to remember in May and remember to read the notes from your Americanism Chairman for the 2021-2022 year. Take Care.

ATTENTION, ATTENTION!!

Dear Brothers and Sisters,

We have NOT come to the end of the membership year! Yes, we have done our program year-end reports. But we still have until June 30 to get your membership dues paid. Please check on the unpaid list to see if they are okay or if they need a little help. We need to end this year strong to start next year strong.

Remember many hands make light work and more that we can do for our Veterans. PLEASE keep trying to get dues paid and recruit new members. Covid has tried to keep us down but we can do this.

The flower that blooms in adversity is the rarest and most beautiful of all.

Thank you.

If you are reading this now you are already too late to submit your annual reports for 2020-2021. Save up your information for April-June and submit for next year. We have had a challenging year, but we can hope next year is better for us and we are able to start helping our hospitalized Vets.

The VA Hospitals are still in a modified lockdown situation. We cannot visit patients, but we can still drop off cards and some goodies to let them know we are thinking about them and have not forgotten them. Portland VA has some volunteers returning but they are not allowed to visit patients. Roseburg also has some volunteers, and some Vet contact is occurring, but only if they come into the clothes room. They can still get cards and canteen booklets from Sue and her staff. You can send money for Sue through Sonya, and she can purchase booklets. Sherry Prudhon at White City is still in need of items. Contact her at (541)-761-1379 and she will tell you what she is short on.

We will be announcing awards for the year at this year’s convention. I hope you all stay safe and get ready for a big 2021-2022.

Best Always,
Dave Johnson

Now that our year is over, all of you did an awesome job. There were a lot of bumps you had to hurdle due to the pandemic. We were given a huge challenge that made our mission to help our Veterans almost impossible. I enjoyed being your Department chairman for this year. Some of the activities over the last year included:

- * Driving Veterans to appointments.
- * Gift cards for Caregivers.
- * Many donations to different organizations.
- * Helping the fire victims.
- * Donating many, many masks.

These are the numbers that show the wonderful job all the auxiliaries did:

1. The number of members who participated in the program: 1943
2. The number of projects done for the reporting year: 714
3. The number of hours spent on projects: 16,251
4. The number of miles traveled: 33,058
5. The dollar amount spent on the program: 74,869

Please remember to continue to report your work. It will count for the next year, 2021-2022.
Keep up the good work.

BUDDY POPPY/NATIONAL HOME

Valorie Wrinkle
Dept. Sr. Vice President

Dear Brothers and Sisters of the VFW Auxiliary, I think we can all agree that this has been a challenging year for the Buddy Poppy & VFW National Home for Children program, as it was for all our programs. While there was nothing to stop you from donating to the Home, it was difficult to hold the fundraising programs we are used to doing to replenish our Relief Funds. As for Buddy Poppies, COVID-19 made it difficult to do the usual distributions, but judging from some of the reports I received, not impossible! I have to say that I was impressed by some of the imaginative ways Auxiliary members worked this program, proving once again that members of the Auxiliary to the Veterans of Foreign Wars are dedicated to doing what they can for our veterans and their families!

I was impressed by the Auxiliaries who found ways to interact safely with their communities. For example, participating in a Community “Trunk or Treat” event for Halloween held in a parking lot and distributing Buddy Poppies to the families; wrapping plastic ware in napkins and attaching a Buddy Poppy to include with “to go” Thanksgiving meals; or having a Buddy Poppy table during a blood drive.

Auxiliaries also used Buddy Poppies in wreaths for cemeteries; distributed them at Memorial Day or Veterans Day events; and attached them to treat bags for residents of Care Homes on holidays.

Overall, 31 Auxiliaries promoted the Buddy Poppy within their Post and Auxiliary and 23 promoted them in their community. Some Auxiliaries used social media like Facebook to promote the Buddy Poppies, while others used radio, newspapers, and flyers. There were 27 Buddy Poppy drives held with Posts and 22 held by the Auxiliary alone. I was impressed by an Auxiliary whose members prepared bags for their schools which included Buddy Poppies and brochures along with other items to promote reading and educating our youth. One project – two programs!

While only 7 Auxiliaries were able to promote the National Home in their communities, 28 promoted it in their Auxiliaries and Posts. 15 Auxiliaries promoted the National Home Helpline within their Post and Auxiliary and 6 did so in their communities. 1 Auxiliary used radio and newspapers to promote the National Home Helpline while 10 used Facebook and other social media and 3 used flyers.

I know we are all affected by this pandemic and I know we are all anxious to go back to the way we used to do things. Thank you for persevering and doing what you can in a difficult situation. Hopefully, some of these innovative ideas will be continued and expanded once this current crisis has ended!

Thank you all for your hard work.

Our 2020-2021 year is almost over. All your year-end program reports have been received. The top three Auxiliary programs in each membership category will be announced at our Department Convention in June. They will be included in my Department’s year-end program report. I wish to thank our Department Auxiliary President, Debra Wright for her support over this last year. It was a difficult year due to Covid-19. Even so, our Auxiliaries got out the vote, thanks to the Oregon mail-in ballot. Don’t give up on reminding everyone to vote. This spring we have another chance to show our power as a voter. The election in May is all about local elections, school boards, fire districts, etc. Those we vote for are our neighbors, which makes these elected officials someone we can reach out to and make sure they know what we value. **Vote! Vote! Vote!**

OPERATION: FINAL STEP

SOVB Vietnam Memorial Wall

This is the final fundraising step to get the wall installed, ready for viewing. The wall is paid for and has been delivered to covered storage in the Rogue Valley. We need additional funds to prepare the ground and install the panels. If every veteran were to donate just \$5, we would have what we need to complete this great tribute to our fallen comrades.

Every name has a face.

Once a brother, always a brother.

We are creating a Time Capsule that will hold the service patches of every veteran that wishes to have it preserved, that will be placed near the wall at the completion of the project. Veterans – if you would like your unit patch included in the capsule, please send it along with your tax-deductible \$5 donation, per patch, to the address below.

A local chapter of the Military Order of the Purple Heart has donated a Purple Heart that will be placed at the base of the wall, when finished.

EXPLANATION OF OPERATION: FINAL STEP

Fellow service men, women, family and friends:

An effort has been on-going for many years to have a replica of the Vietnam Wall from Washington DC constructed here in Southern Oregon. We have already purchased the 360’ replica of the wall with all 58,479 names on it. It will be the only replica with all of the names on it west of the Mississippi river. The COVID pandemic has had a significant impact on finishing this project in as timely a fashion as we would like, but finish it we will!

The flyer to the left is announcing “Operation Final Step” which is geared toward raising sufficient funds to prepare the future site and install the wall. We are asking for a simple \$5 donation from every veteran to help us reach that goal. To sweeten the pot, we will be burying a time capsule near the Wall that will house unit patches from veterans who want to be remembered for all time. We ask that if you have a unit or organizational patch or rocker patch, donate it with your name on it and it will go in the time capsule. We ask for \$5 for each patch that you submit.

Please forward this flyer to every veteran and military or veteran organization that you know so as to spread the word and help us reach the goal. You can mail a check made out to SOVB along with the patch or just a check to SOVB, PO Box 1013, Medford, OR 97501. If you just wish to contribute to the cause you can go to www.sovbmemorialwall.com and use a credit card on the donate tab. Our contractor has told us that the construction timeline is less than 120 days, so there is hope to finish this project this year. Please help with at least a \$5 donation.

UPDATES

Vietnam War Memorial on the Oregon State Capitol Grounds Project Update for April

Friends and Supporters,

We have had an interesting start to spring, 2021. Here is an update on our project:

Senate Bill 319

On March 18th, the Oregon Senate passed Senate Bill 319 with a 29 to 0 vote. This bill establishes a Vietnam War Memorial on the Oregon State Capitol Grounds. It is the last major permission that we need to ensure that our project will come to fruition.

Senate Bill 319 received its first reading in the House of Representatives on April 1st. On April 7th, the Speaker assigned the bill to the House Committee on Veterans and Emergency Management with a subsequent referral to the House Committee on Rules. We are awaiting the scheduling of a Hearing in front of the Veterans Committee. We will attempt to advise each of you the date and time of the Hearing so you can participate with written testimony and/or attend the virtual meeting and testify by video.

Vietnam War Memorial Fund Finances

Our financial situation has improved some in the past month. However, we are still needing an infusion of cash. As stated last month, 2020 drained our finances. Every contribution will make a difference for this project. Please reach out to your friends, family and organizations and ask them to consider sending a contribution to bolster our financial condition.

Please consider a contribution to our project. You can donate by credit card on our website at: <http://vietnamwarmemorialfund.org/> Or you can mail a check to: Vietnam War Memorial Fund, P O Box 1448, Boring, Oregon 97009

MILITARY MEN AND WOMEN

Pendleton’s **VFW Let’er Buck Post 922** is partnering with the **Pendleton Arts Commission** to create a landmark for those who have served. Pendleton’s military men and women have served all of us. Now we have an opportunity to publicly express our support for them. The VFW Tribute Plaza artwork is underway, the site is ready. We need your financial contribution to finish the job – support this monument by sponsoring a brick!

The Pendleton Military Tribute, *Beacon of the Sentinels*, will be an outstanding landmark as well as a major public art installation in Pendleton.

Your important donation will help make this monument possible.

**DEDICATE A BRICK TO A
FRIEND OR LOVED ONE!**

Contributions starting at the \$100 level will be commemorated with an engraved brick at the Beacon of the Sentinels Plaza.

Any level of donation is welcome! Contributions will support the Pendleton VFW *Beacon of the Sentinels* Military Tribute. Donors will receive an acknowledgment letter for tax purposes. Be sure to include all contact information in case we have any questions about your donor brick. We will never sell your information.

To reserve additional or larger bricks, or to donate with a credit card please visit **www.PendletonTribute.com**.

Looking for these members..... From National HQ

Proper data hygiene remains a big challenge for our organization. In fact, incorrect data within our membership file has a significant impact on our financial resources; funds, such as the Life Membership Fund, must be properly cared for to ensure stability.

The VFW recently contracted with a leader in the data hygiene industry to review a portion of our Life Member file; specifically, 278,759 members over the age of 75. This review covered multiple data sources, which include the Social Security Administration Death Master File (SSA DFM), 15 state direct sources, and credit header data. As a result, we have identified over 9,500 Life Member records as deceased.

Please review the following list to identify **members you know to be alive**. It is possible that they have been mistakenly matched with another person’s information. We do not need for you to verify their deaths; just tell us if you know them to be alive.

If you are able to identify a member that has been mistakenly matched, please notify your Post Quartermaster and ask them to contact State QM Cheryl Campos with the member’s name, membership number, current address and phone number.

Please look over these names and see if you know any of these former members are alive...

TURNING 65 OR NEW TO MEDICARE?

Attention veterans

Did you know?

If you’re eligible for Medicare, you could enroll in a Humana Medicare Advantage plan without prescription drug benefits—and keep your VA health and drug benefits.* Humana Honor® plans are available to anyone eligible for Medicare and may be a good fit for veterans who would like to keep their VA health and drug coverage.* It may help you save money on medical costs while enjoying extras you might not get through your VA health benefits, such as:

- \$0 monthly plan premium
- \$0 copay for testing and treatment services for COVID-19
- Hearing includes annual exam, fitting and \$399 copay for advanced level or \$699 copay for premium hearing aids per ear, every year
- \$75 over-the-counter allowance every three months**

You have expectations of your health plan. We might just exceed them.

*Veterans may choose a Humana Honor® Medicare Advantage Plan without prescription drug coverage to avoid possible conflicts with VA prescription drug benefits.
**Available only through participating retailers and Humana’s mail-order pharmacy, Humana Pharmacy®; always consult with your doctor or medical provider before taking over-the-counter medications.
