

Dear Friend,

While the Memorial is closed to help stop the spread of COVID-19, we will still continue our mission of sharing servicewomen’s stories and honoring their accomplishments.

Did you know you can [take a virtual tour of the Memorial by watching our 360 Virtual Reality video](#)?

During the video, you will hear from some of the Memorial’s staff and supporters, tour the building’s exterior and travel through some of the exhibits.

Escape your home (virtually) and explore America’s only Memorial dedicated to preserving the stories of all servicewomen.

Once you watch, pay it forward: share the video with friends and family so they too know of the extraordinary service of military women and the place that tells their story.

Thank you for your continued support.

Stay safe and healthy,
