Comrades,

As I write this it looks like the National Convention in Baltimore, Maryland is a go. If you have not got your reservations in, I would suggest that you do so as soon as you can.

As I look at the membership numbers, I see that seven Posts have made 100%. We have fourteen Posts that are under 75%. We need all Posts to make 100%! I am using percentages as some Posts need over 200 members and others need under 20 members. So, as you can see Post size does make a numerical difference. I know that a lot of Posts cut their numbers last year; so, you should be able to match last year's membership this year.

We do not have any Districts at 100% yet. Overall, the whole State is not doing well on membership. As the State is starting to open up, it is time to get out and work your membership and recruit more. NOW IS THE TIME! Officers, we knew it was not going to be easy when we took office. Now I am calling on you to step up to get it done.

The Voice of Democracy Parade of Winners will be online April 1, 2021 at 20:00 (8:00pm) Eastern time.

I ask that each Post make sure to get a Community Service report into Department.

Respectfully
George E. Carroll

**The VFW of Oregon:
A Century of Service**

Last December I sent out a letter to all Post Commanders regarding a history of the VFW in Oregon I would like to put together. I have received several wonderful submissions, but there are still more I need to make this a complete, comprehensive book.

In case you were not aware, the VFW Department of Oregon will be celebrating our 100th year starting with the 2020-2021 year. That is 100 years of service to our veterans and in our communities. This book will commemorate this occasion. It will explore 100 years of the VFW in Oregon. This idea is inspired by a book that was found in a storage box at my Post called "History of the VFW in Oregon." This book was an incomplete listing of all the VFW Posts in the state. I am estimating it was published at some point in the 1970's.

Many Posts were not even in that book. That is why the goal for this project is to include all the Posts. My counterpart in the VFW Auxiliary, Valorie Wrinkle will be doing something similar for the Auxiliary.

If you have not sent in your submission for your post, I will repeat what I sent in the December letter as well as on the subsequent email.

Dept. President

Greetings All,

Hope, all are safe and well. Our year has been so different, it is easy to lose sight of our mission.

If your Auxiliary is in a High Risk or lower area, you should be having in person meetings, practicing social distancing, and wearing masks. If your Auxiliary has not been inspected by your District President, this needs to be done as soon as possible.

Please, be sure to check on your members and veterans. Do they need assistance with anything?

There is some misunderstanding about the Relief Fund. Please see the Booklet of Instructions (yellow section of Bylaws,) page 21, Relief Fund for an explanation.

Each of you have been working hard on programs in your areas. Please fill out the report forms and get them to the Department Chairmen as soon as possible.

If you have questions about filling out reports, please contact the Department Chairman. You may also call any of the Department line officers to assist you. We are here and happy to help.

Sadly, our National President's visit has been canceled due to Covid-19 restrictions. As for our State Convention, please be patient. With the State restrictions this is going to take some time. If we are able to have a convention, it may look/be much different than it has been in the past. We are also working on a backup plan.

See Pages 7-8 for more Auxiliary News!

VFW to Host Virtual 2021 Parade of Winners

The Voice of Democracy first place winner will take home a \$30,000 scholarship. KANSAS CITY, Mo. (March 4, 2021) – The Veterans of Foreign Wars (VFW) will host its first-ever virtual Parade of Winners [live on Facebook](#) April 1, 2021, at 7 p.m. CDT. The event will recognize all state winners of the VFW's Voice of Democracy scholarship competition as well as the national Patriot's Pen contest winner, and will include special guest appearances by those known to the VFW community. The [virtual Parade of Winners](#), sponsored by [Twisted X](#) and [Dell](#), will culminate with the surprise announcement and onsite presentation of the first place \$30,000 T.C. Selman Memorial Scholarship award at the winner's home.

"The disappointment of not being able to award all of this year's scholarships in person doesn't diminish the impact that the \$3 million in total scholarships and awards presented at the national, state and local levels of our youth scholarship competitions will have on our youth as they look to college and their futures," said VFW National Commander Hal Roesch II. "Our students have overcome so much in the past year, and this year's submissions left me filled with the hope and confidence that our nation has a bright and influential future with these young people taking the lead."

Learn more about this year's event at vfw.org/ParadeofWinners, and be sure to [tap "interested," then "going" on the Facebook event](#) to ensure you stay up-to-date and receive all event notifications. Media Contact: Randi K. Law, communications manager, rlaw@vfw.org

UPDATES

SR. VICE COMMANDER *Cont. from pg 1*

Some ideas I suggested were to include these items:

- The Post's muster date
- Story of Post Name
- State Commanders from the Post
- Years All American
- Years All State
- Posts merged with
- Photo of Post Home
- Photo of Post's namesake
- Number of WW2/Korean War Members Remaining
- Number of Legacy Members
- Number of Charter members left.
- Longest running community projects involved with
- Anything else you want to share.

The responses I received so far have been great and I am learning a lot about your Posts and what is important to you, which is the whole idea of this book. The idea is to make this a lasting tribute to 100 years of service that we have been a part of. This will be a great book to give your new members or to keep on your bookshelf for years to come.

These books should be ready in time for the 2021-2022 State Convention.

Greetings Comrades and Auxiliaries. I hope you are doing well and are healthy.

This year is fast approaching the end and the COVID restrictions are still in place, which is causing a lot of problems for us. We are behind in membership and need all our Posts to be calling their members to make sure they are okay! Find out if they need help with anything; for instance, do they need someone to take them shopping or to doctor appointments. Do they need any financial assistance? Also find out if they need help paying their dues as a lot of people are out of work! We also want to reach out to our life members to ensure they are OK and find out if they need help with anything. Bert Key has access to some firewood if someone needs it. If so, let me know and I will contact Bert.

For all Posts, it is time to start thinking about elections as April is not far off. We need a strong finish for our state as we are currently 2nd from last place in membership. Everyone should try to recruit 1 person each month until June 30, 2021! Post Commanders need to be aware of the National Commander in Chief's challenges and work hard to win and collect the rewards from these!

I will be running for State Senior Vice Commander and would like your continued support. It is an honor and a privilege to work for you, and to support all our veterans! Do not forget, we have a great Staff at Headquarters and if you need anything let us know. We will be happy to assist you.

Once again, I ask for your assistance with our membership. We need to get Oregon moving - we are better than this!

I am looking forward to this year, anticipating the opportunity to present another Chaplain of the Year award at our next convention. Why is this so important? Because I know there are dedicated Chaplains who are serving the communities they live in and the Posts and Districts they serve, and we do not want to miss the opportunity to recognize their work and service.

The deadline for recommendations is 15 April 2021, so I am asking again for feedback and recommendations. Criteria for Chaplain of the Year includes the following: exemplary conduct of normal duties which include attendance, dependability, submission of community service reports, etc., exemplary performance above and beyond the normal expectations of the position and duties, a personal attitude which is positive and professional in all contacts with others and which represents the VFW in the best possible way, commitment to the ministry and duties of the Chaplain as reflected by service to comrades and their families, and member of the VFW in good standing with the Post, District and Department. Please feel free to call or email me for more information at 971-237-5966 or rsmmit68@aol.com.

The Covid-19 pandemic has impacted the Legislative advocacy for the VFW's annual visits to Capitol Hill. The September Legislative Conference was done by Zoom or Phone conferences and was highly successful. We have just completed the March Legislative Conference, the same as September's and again was highly successful.

All the meetings with Oregon's Congressmen/Congresswoman, Senators and their staff were well received. We covered the VFW Talking Points that were supplied by the VFW National Legislative office in Washington DC. Oregon's Representatives in Washington had many questions about the issues that the VFW brought forward. Each one thanked us for our advocacy for Veterans and appreciated our efforts.

Some of the topics discussed included Toxic Exposure, extend the deadline for Gulf War Veterans Toxic Exposure Act, pass S.B. 89, Ensuring Survivor Benefits During COVID-19 Act of 2021, pass the Veterans Economic Recovery Act, establish a fourth administration in the VA (for economic opportunity benefits), disabled veterans to receive an automobile grant every ten years instead of a one-time grant, pass H.R. 239 Equal Access to Contraception for Veterans Act, pass the Richard Star Act and for the DOD to develop a Base Housing comparison Tool.

If you have any questions, please give me a call. It is my honor to serve as your National Legislative Chairman.

Yours in Comradeship,
Rick Higgins, Nat'l Legislative Chair

Greetings Comrades,

There are finally signs that we will soon return to life as we once knew it! We may soon have COVID-19 on the run. I have received my two inoculations and felt extraordinarily little or no side effects from the shots. It is time for us to get back in the saddle of being viable VFW Department of Oregon Districts and Posts.

Last weekend I was able to attend a local Wes Knodle gun show in Redmond. Deschutes Post 4108 was provided with two free tables to recruit and sell hats, pins, bumper stickers, patches, etc. We were required to conduct our business under the State COVID-19 guidelines; meaning we had to wear masks, face shields, maintain social distancing, etc. but it was all doable. It was great to be able to meet other veterans and their friends and families again. We signed up two young veterans on the "buddy plan" and a total of eight members were recruited.

The Department of Oregon has sponsored a table at the Central Oregon Sportsman Show March 11-14, 2021 at the Deschutes County Fairgrounds. Under the leadership of State Commander George Carroll and State Membership Chairman Rodney Wymore, we will recruit new members, reinstate members, and possibly transfer members. We will also collect donations for the relief fund and sell hats to help with membership. If you get the chance, come by and touch base with us.

The Council of Administration will be conducting their business the first week of March via Zoom meetings. I will provide you with an update of the news and actions of the National Council of Administration in the next Department newsletter.

As the Chief of Staff and your National Council Member, I am working for State Commander George Carroll and you. Do not hesitate to contact me by calling my cell phone at 541-678-3895 (texting is acceptable too) or emailing me at wrinkle4108@gmail.com. I will respond to you within 24 hours.

STATE JUDGE ADVOCATE

Ronald E. Ballard
State Jr. Vice Commander

wrinkle4108@gmail.com

As I stated last year at this time, “Spring is in the air, the weather is turning nice and more and more people are stepping out of their winter caves to enjoy some fresh air and sunshine. However, as we all know, the weather in Oregon can change every five minutes. I urge all to be prepared for such changes. Also, with more people out and about, additional caution is needed regarding watching for children playing. Please be safe as summer comes upon us.” Of course, there is much more to worry about this year with COVID-19. It has been with us for a full year now and the death rate may be falling, but not fast enough. Please take the time to get your vaccination; not to do so only puts you and those around you at risk.

As always, membership, membership and more membership is a must. A strong membership is representative of a strong Nation; and we are a strong Nation. Each member of the VFW is obligated to ensure our membership stays strong. Please step up and help us continue to stay strong.

I am very much looking forward to this year’s State Convention at the Mill Casino (that is if we have a face-to-face convention) and having an opportunity to advance to the Department Junior-Vice position. As we move forward in the chain of command, more responsibility comes with the move. I will gladly and willingly, accept those responsibilities and continue to do the best I can for our great organization.

Ronald E. Ballard, Department Judge Advocate

VFW AUXILIARY UPDATES

Department of Oregon Guard Position Open for 2021-2022

If you wish to run for this position you need to send a letter to each Auxiliary, District President, Line Officer, and Past Department President stating your qualifications and your reason for wanting to be Guard. Names and addresses are in your Roster.

You are not required to move up the line. If you wish to stay in the position you currently hold, you may do so by being nominated for this position each year.

DEPT. SR. VICE PRESIDENT

Valorie Wrinkle
Dept. Sr. Vice President

vjwrinkle@gmail.com

I hope everyone is doing well, staying healthy and being safe. Nominations and elections will happen at your April meeting, which means it is time for you to step up and take an office in your Auxiliary. We can not do the good work we do for veterans and their families without members who are willing to take an office and help keep their Auxiliary healthy and strong. If you are not sure what the duties of a particular office are, you can find the information in your VFW Auxiliary Podium Edition. You could be just what your Auxiliary needs right now!

I also encourage you to consider running for Department Guard for the 2021-2022 year. In the past running for Guard meant that you moved up the line each year until you reach the office of President. While that was the past practice in the Department of Oregon, it is not a rule. If you are not interested in moving up through the chairs, please do not let it stop you from running. If you are not sure about what you want to do, talk to one of the current Department officers and ask your questions. We are here to help!

I have enjoyed every level that I have served at and I can tell you from experience that the office of Guard can be a lot of fun. Checking dues cards is not tedious. It gives you a chance to greet members as they come into a meeting and get to know them a little. Also, as a Department officer you are automatically on the Council of Administration and a part of the Department team. I may be biased, but I think we are a pretty great team, so why not consider joining us?

In the meantime, I hope you all have successful elections and I hope to see you at District meetings.

Dear Sisters and Brothers,

Our year is coming to an end. It's just around the corner, so that means the Year-End Reports are due by April 5th. It has been an extremely challenging year. All of you have come through with flying colors.

Our Veterans appreciate all the wonderful things we do for them. With St. Patrick's Day on the 17th, maybe a little cheer can be shared with Veterans and their caregivers. It has been very difficult not to have one on one time with them.

As the restrictions are relaxed and activities increase, always stay safe.

Greetings,

As we approach the end of the reporting year, I hope all of you are doing well. There are a few things you will need to do if you are serving as a Secretary:

Year-end report forms: Due to Chairmen by April 5th, 2021.

Update any address changes in your Auxiliary Roster in Malta.

Entries for Illustrated America, Patriotic Art, and Red, White, and Blue are due to Chairman by March 31st, 2021. Send to correct Chairman.

Excerpt from Web article:

I know there are some Treasurers who would like to step down and have someone else take over. If you want to take on the job of Treasurer and want some help, let me know. We might even do a Zoom meeting for new and returning Treasurers so that they can learn the job.

Quite a few Auxiliaries have not gotten their December 31, 2020 audit to me. That tells me that you haven't had a meeting for two months and that isn't good. I also have some that haven't sent me the September audit and that really scares me because that means you

Greetings Brothers and Sisters, I hope this message finds you in good health and spirits.

It appears we are slowly moving forward to a new normal. As more of the state opens up and more are being vaccinated we can be thankful for progress.

Please remember to notify Sonya Sallee, Department of Oregon Treasurer if you have an Auxiliary Brother or Sister pass on. Sonya can assist you with paperwork and any questions you may have.

It is time for Spring, so I give you a prayer for Springtime:

*A sleeping world emerges to new possibilities,
weakening winter's icy grip,
and birdsong and bleating lamb
announce to all the promise
that in due season
creation bursts into life.
And whilst leaves that fell in winter
lie upon the ground,
soon to feed the earth,
in nature's wondrous cycle
of death and rebirth,
within the tree is a stirring of new growth.*

DEPT. TREASURER *Cont. from prev. column*

haven't had meetings in quite a while. Please try to get together to do an audit. You can have two people together in a room and three people on phones, or try Zoom - it really works. You need to get Auxiliary business done and get your paperwork in to the appropriate people.

Please, if you haven't paid your obligations, get them to me soon. We need that money to give to the hospitals and nursing homes when they open again. The money that I am collecting in the hospital fund this year is actually for next year. Please make sure that you also get your money in for the National Home.

If you feel that your Treasurer has done an outstanding job this year, even with what has been going on, please submit your Treasurer's name for the Outstanding Treasurer. Write me a little bit about what they do to help out, especially in a year like this. I would like to get a lot of applications for this award. I love reading about what is going on out there.

Also, at your next meeting please vote on money for a Love Gift for the President. Debra has had a horrible year and we need to let her know that we appreciate her.

Don't forget to vote on your delegates for District and Department conventions and send your delegate fees to me. The form goes to Jan Halverson so that she can do her credentials. Hope to see you all somewhere in the next few months. I have sure missed you!

HAVE YOU HEARD?

Department of Oregon Senior Vice Commander Dennis Pratt is hard at work preparing a book that will commemorate 100 years of service to veterans by the Department of Oregon VFW. Dennis would like to include the Auxiliaries in this book, so we need your help. Please send any information you have on the history of your Auxiliary to Valorie Wrinkle at vjwrinkle@gmail.com or by mail to Valorie Wrinkle, 3855 NW Montgomery Avenue, Redmond, Oregon 97756.

Some ideas of what to incorporate: The date your Auxiliary formed; the names of Presidents and the years they served (if known); a photo of your Post home; Community projects you are known for; etc. We need this information as soon as possible so the book can be ready for the 2020-2021 State Convention. Call Valorie at 541-678-3894 if you have questions. Thank you!

CONVENTION BOOK for 2020-2021

Please get your ads and pictures to Valorie Wrinkle asap so she can include them in this year's State Convention Book. Whether we meet via Zoom or Live and in person, there will be a Convention Book to commemorate the 100th Convention of the Department of Oregon Veterans of Foreign Wars and the 93rd Convention of the Department of Oregon Auxiliary to the Veterans of Foreign Wars. MENTORING FOR LEADERSHIP

Debi Duggan
Mentoring for Leadership
Chairman

Happy almost Spring!

I hope everyone is doing great and getting past the winter blues. Today I want to share my thoughts on two different types of Mentors. The hardest mentor is the one that is Negative Nellie. Nellie will snap when asked a question which makes you feel like you are bothering her, or she just doesn't have time to help out. She is the one not listening to what you are trying to ask. Please understand, this is not a good way to show someone trying to learn the correct way of doing it.

The Mentor who makes you feel good about yourself we will call Positive Polly. Polly will give you her utmost attention. She will listen and hear what you're trying to ask. I have been in positions where I didn't know how to ask because I was not sure of what is expected. This is the type of mentor you want to help you.

I am borrowing this from my National Mentor, and it speaks volumes:

"Your **smile** is your **logo**, your **personality** is your **business card**, how you leave others feeling after an experience with you becomes your **trademark**." – Jay Denzie

The moral is to be the type of Mentor to others that you want for yourself.

Also, a reminder to get your Mentoring for Leadership award entries to me. Award for Auxiliaries – Most outstanding use of a Mentoring for Leadership activity during an Auxiliary meeting and Citation to the Outstanding new mentor in each of the 10 Program Divisions. These can be found at vfwauxiliary.org/resources or you can email or call me, and I will be more than happy to send one to you. The Deadline to have them back to me is March 31, 2021. Get your Program Reports to me so we can be 100% and get our Department President into the Circle of Excellence.

Happy almost Spring,

Deb Duggan, Chairperson
Mentoring for Leadership

AUX COMMUNITY OUTREACH

Debbie "Cookie" Little
Aux Comm Outreach Chair

dlittle1822@gmail.com

Greetings Brothers and Sisters,

This program year has flown by. While it has been different and sometimes difficult to get out there and work our programs, we have done it. Remember, Auxiliary Community Outreach is when a single Auxiliary member or your entire Auxiliary volunteers time to another organization. Have not worked with another organization this year? I bet you have. Did you donate food or personal hygiene products to a food bank or homeless shelter? Have you donated cans/bottles to a high school for their senior fundraiser? Does your local Senior Center ask for donations of books or puzzles and you donated some? Have you answered phones or served at a vaccine clinic for COVID?

All the above qualify for Community Outreach. While the program does not record monetary donations, if you took the time to purchase and deliver goods to another organization as a VFW Auxiliary member, it qualifies. Sometimes, we volunteer without realizing we are volunteering.

Talk about Community Outreach during your March Auxiliary meeting. It is time to report what you have been doing for other organizations. Reports are due at the end of March, but you can send them in at any time. REPORT, REPORT, REPORT. If you do not know if it qualifies or not, report it anyway and I will make the determination.

We need 100% reporting on our programs. Do not delay in sending in your reports. I have sent emails to those Auxiliaries I have not received reports from. Next week I will start making phone calls. Please, please, please report what you have been doing.

An effort has been on-going for many years to have a replica of the Vietnam Wall from Washington DC constructed here in southern Oregon. We have already purchased the 360' replica of the wall with all 58,479 names on it. It will be the only replica with all of the names on it west of the Mississippi river. The COVID pandemic has had a significant impact of finishing this project in as timely a fashion as we would like, but finish it we will!

This is the final fundraising step to get the wall installed, ready for viewing. The wall is paid for and has been delivered to covered storage in the Rogue Valley. We need additional funds to prepare the ground and install the panels. If every veteran were to donate just \$5, we would have what we need to complete this great tribute to our fallen comrades.

Every name has a face.

Once a brother, always a brother.

We are creating a Time Capsule that will hold the service patches of every veteran that wishes to have it preserved, that will be placed near the wall at the completion of the project. Veterans – if you would like your unit patch included in the capsule, please send it along with your tax-deductible \$5 donation, per patch, to the address below.

A local chapter of the Military Order of the Purple Heart has donated a Purple Heart that will be placed at the base of the wall, when finished.

Our contractor has told us that the construction timeline is less than 120 days so there is hope to finish this project this year. Please help with at least a \$5 donation.

COOTIE CORNER

Well, what do ‘ya know; we made it back. Actually, we haven’t left or hardly budged from our previous spot. We are vehemently practicing all sorts of “social distancing” and avoiding all of the “hot spots” we hear about. Facial masks are really starting to get crazy and for some of our most enduring members, is quite an appearance improvement. No names here, but the plain fact is we do have some really ugly bugs in our tents...

And to offset all the weirdos, we have our Auxiliary to keep us stable and on a fairly even keel. The MOCA programs, both local and National, complement that of the MOC and in many cases, garner attention and accolades from the head tent (Supreme). No matter who does what, we all strive to provide comfort to our veterans in poor health. It’s a job we just love to do.

Here’s a few words from Sheila Logan (our current Grand Pup Tent of Oregon MOCA President) to tell you more of what they do and why they do it.

“The Grand of Oregon Military Order of the Cootie Auxiliary would like to invite you to learn more about the honor degree of the VFW Auxiliary. We have six MOC Auxiliaries in Oregon located in Portland, Redmond, Salem, Springfield, Sweet Home and Winston. We are always recruiting and would like to invite you to connect with us to learn how to become a MOCA member and join the fun!”

MOCA programs include hospital, clowns, scholarships, and National Home. It is quite simple, have some fun, share a smile, be joyful and happy! Veterans in hospitals love seeing Cooties! We dress in red and white or clown costumes to spark some joy and let our veterans forget for a few moments why they are in the hospital. Our mission states: “Keep ‘em smiling in Beds of White”.

Our hospital work during the pandemic has changed slightly. We have found new strategies to replace in person visits during these Covid 19 days. They are:

Calling on the phone – no more than 30 minutes at a time per patient

Participating in parades outside where patients can view

Virtual visits – no more than 30 minutes per patient

Visiting patients through windows

(continued next column)

Our MOCA Clowns “keep them smiling in beds of white” during each hospital visit! We are hoping more members will bring cheer and happiness into the lives of those who have given their service for our freedom. Everyone likes a reason to clown around. So, take time to sing a song; tell a joke; or do something fun with our hospitalized veterans. We put on a happy face and help those less fortunate than us to crack a smile. MOCA clown costumes are in good taste and are more than just a funny hat.

Each year with our Scholarship program, VFW and Cootie members are able to go to school in the Health Care field.

We support families with a home (a Cootie House) at the VFW National Home. MOCA spends money on upkeep for this home and provides donations for the annual Grand of Michigan VFW National Home Cootie Christmas Party. Monies are also used for awarding scholarships to one or more high school graduates living at the National Home to aid in their continuing education.

We participate in an annual Tomb Trek to Arlington Cemetery in Washington D.C. The next opportunity is tentatively planned for November 2021. This event is a highlight ritual with hundreds of wreaths being laid at the Argonne Cross by MOC/MOCA members from across the USA and overseas. The Supreme Commander and Supreme President get the honor of laying a wreath at the Tomb of the Unknown Soldier! It is a sight to behold with hundreds of Cooties in full dress uniforms of red and white honoring all that served.

(continued next column)

We are now recruiting high performers from VFW Auxiliaries, so please join us and share the joy of hospital work with your MOCA members in fulfilling our mission to “Keep ‘em Smiling in Beds of White”. Have some fun, try on a clown costume, and join the Cooties! “
