Department Dashboard featuring Camp Alma

A lot of attention this year has been centered on the National Dashboard, which tracks your post’s progress towards becoming an All-American Post. There is one more Dashboard that needs to be looked at as well and that is the Department Dashboard, or better known as the Pink and Purple Monster which tracks your progress towards reaching All-State status. This dashboard is on the Department’s webpage, and it is included with this newsletter. This should be tracked by the post leadership and if it is not updated let Department know. This needs to be done regularly so that at the end of the year, it is not too late.

Even though as a department we have had our Pink and Purple Monster for almost a decade, the National Dashboard is relatively new. Both tools are used for the same reason, and both tools need to be understood. Each item on these dashboards needs to be understood, like the Commander’s Project on the All-State Dashboard. The first way to understand them is to know what each criterion requires to be considered complete. Neither of these are going away and will constantly be changing every year in hopes to improve their ease of use, but until then, be assured both Department and National is there to help you get them updated for your post.

In this issue our State Surgeon Andrea Summerlin wrote about a visit the line officers and others had at Camp Alma. The reason this article is important and how it ties in with the All-State Dashboard is that a donation to Camp Alma through Department Headquarters is not only a great idea to help them with their mission, but also important because can satisfy a requirement to make All-State.

I am asking for a \$50 donation from each post. This money will go towards a new industrial dishwasher at Camp Alma. The kitchen is a commercial kitchen and is set up to cook for and feed a large group of people, but the current dishwasher is just not set up to do their dishes afterwards.

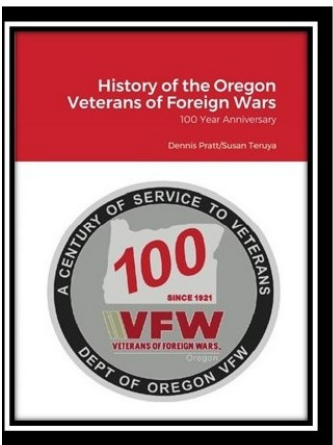

Camp Alma’s Board of Directors goal is to be able to house and reintegrate up to 30 veterans at a time and with our help they will be closer to making that goal a reality. There will be representative of the camp at our Mid-Winter Banquet. He will be giving a short presentation outlining the camp’s vision and goals to help with veteran homelessness. There will also be a table set-up in the lobby to answer questions. I hope you will be able to talk with the representative and maybe even schedule a trip to visit their operation outside of Eugene.

The pictures above are of Camp Alma outside of Eugene, Oregon. See Andrea Summerlin’s article on page 4 for a report on Department’s visit to the facility. State Commander Dennis Pratt and Auxiliary President Valorie Wrinkle are making this facility a joint project.

The month of November is already half over, and December is coming up fast. I know Auxiliaries everywhere are making plans to make the holidays special for our troops, our veterans, and families. I hope you will document those events with pictures and send them to me or to the Department Historian, Kathy McCauley. Let us know what you are doing with reports and pictures. I am also the State Newsletter Editor, and I would love to include your activities in the January Newsletter!

One of the requirements for Oregon to be in the Circle of Excellence this year is to do a special project jointly with the VFW. I have selected as my special project this year “Camp Alma,” run by Veterans Legacy Oregon. Camp Alma is located in a rural setting outside of Eugene where veterans “will be provided integrative services for Post-Traumatic Stress Disorder and co-morbidities related to drug and alcohol addiction, as well as therapeutic skills so they can heal while learning skills and self-sufficiency.” See page 1 for a few pictures from the Department’s visit to the location. It is my hope that every Auxiliary will donate to this project. To donate, send your check to Department Treasurer Sonya Sallee and be sure to note that it goes to the Department President’s special project or to Camp Alma. You can report your donations under Veterans and Family Support. No amount is too small! For more information about the Camp, go to <https://www.veteranslegacyoregon.org/camp-alma-story.html>.

Veterans day is over for this year, but I hope we will all remember to honor and thank our veterans every day of the year. We are approaching the Thanksgiving and Christmas season, and we are free to celebrate those holidays because of the men and women of the Armed Forces who have protected our freedoms. Remember, “Veterans are the Key to our Freedom!”

I hope you all have time this year to spend with friends and families during the holidays. My wish for you is that you have lots of fun, food, and fellowship this season. I know I have many things to be thankful for this year, not least of which is our veterans and our Auxiliary members.

Have a Happy Thanksgiving and a blessed Christmas!

As the holiday season quickly approaches, this officer would like to remind members of the importance of staying healthy. The next few months are normally filled with festive fun and an extensive list of obligations. Here are several health and wellness tips from Dr. Ashley Lucas, Registered Dietitian, to get through the holidays:

- Find calm in what you can control
- Make sleep a priority
- Do not be hard on yourself
- Stay moving (or start moving)
- Have a positive attitude
- Be mindful of what you are eating
- Stay connected in your community
- Tap into your support system

One way of giving back is to donate blood. The American Red Cross currently has an emergency blood and platelet shortage as the effects of the COVID-19 pandemic continue to challenge the nation’s blood supply. Donor turnout has reached the lowest levels of the year, with the past few months having the lowest national blood inventory levels in more than a decade.

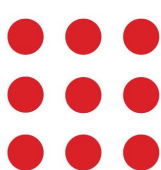

Donating blood is essential to help save the lives of patients who are depending on the availability of blood this winter. Eligible donors of all blood types – especially type O blood, are needed to ensure critical patient needs are met. Make an appointment to give blood or platelets by visiting www.redcross.org or calling 1-800-733-2767.

Have you noticed that there is another way to communicate and provide health and wellness information to members? If you are on social media, search for the Facebook VFW Department of Oregon Surgeon page and follow it. Information and resources from VA, ODVA, VFW, and other agencies will be posted there for members. If you have any ideas or suggestions on topics to post on the page, feel free to let this officer know.

A new incentive for posts this year is the Golden Stethoscope Award. This award will recognize the contributions Surgeons make in their posts and communities. Surgeons are the heartbeat of veteran health and wellness programs. Other criteria will be hospital and/or nursing home visitations, assisting with or donating in blood drives, arranging transportation for veteran medical appointments, and promoting health and well-being to the membership. More information on nominations will be provided in the next newsletter. The Golden Stethoscope award will be presented at the Department Convention.

DEPARTMENT SR. VICE COMMANDER

Allen Anderson
Dept. Sr. Vice Commander

Andypostman@gmail.com

Greetings Comrades and Auxiliary. Boy, has time flown by. It seems like I just finished my last article. The last two months have been super busy. I spent September 13th through the 18th in Pendleton at the Round-Up. It was a lot of fun and we picked up some new members for Post 922. Dale Pack and I finished our last meeting at Post 965 in Coquille in September. We held elections and they are back up and running. Congratulations to Brandy Olmstead, their new Commander! I also had a Senior Vice Commander meeting with the National Commander in Chief and I was able to attend Post 6057 Canby meeting on October 14th and met some new people in the post! I attended the Memorial service of Iona Kline in Springfield. She was a longtime member of the Auxiliary and a Past State President.

Dale and I are still working on setting up a new post in Hood River and we are making a lot of progress with membership sign ups. We will meet with them on November 3rd. I hope to have them up and running by the first of the year. We visited Camp Alma, which is located outside of Creswell, checking out their facilities for helping Veterans. It was very interesting and I feel there are ways that we can help them. They could use volunteers to help with needed repairs, or cash contributions would be greatly appreciated.

We had an online Parliamentarian meeting given by Joshua Schreck, the National Parliamentarian for the Veterans of Foreign Wars. It lasted 2 hours and was very informative! We held an interview for the Service Office Administration position and should have that position filled soon. We made another trip to Rogue River Post 4116 trying to help them get through some rough times. We came up with solutions for a few things and they will work on them. We will revisit them in January. Cindy and I went to Western Conference the November 4th through the 7th. Last staff meeting Cmdr. Dennis Pratt, Dale Pack and myself with Post 1442 member Wayne Sharpe to inspect their post building and grounds due to a problem with the homeless people trashing out the area!

Remember, Mid-winter is fast approaching, so be watching for the schedule and reservations for rooms and meals. As always, we need to be working on our membership and retention. Doing our welfare checks and calling will help to get our members to pay their dues. I also encourage anyone who is not signed up with VFW Action Corps to do so. ANY ONE CAN SIGN UP!!!

Thank You for allowing me the Privilege of being Your Senior Vice Commander!

Department visits Camp Alma Wellness Center

By Andrea Summerlin, Surgeon

In early October, several Department officers and invited guests were provided a private tour and lunch at the Veterans Legacy Camp Alma. The tour was led by Dan Buckwald, an Air Force veteran, Executive Director and Founder, who managed the camp for thirteen years as his role in the Lane County Sheriff's Office.

Camp Alma is a former Lane County corrections facility in the coast range, about 45 minutes west of Eugene. The camp sits on 117 acres of land in a peaceful valley and is a hidden gem after several miles of winding and narrow roads. Camp Alma is named after the area's first settler. Dan shared with the group that "the land has healing powers" and their focus is on readjustment and transition from the military.

Nationally, an average of twenty-two veterans commit suicide every day. Oregon's rate is one of the highest in the nation, and Lane County has the highest percentage of homeless veterans in the state. Dan went on to share that Lane County has over 30,000 veterans and that "19.1 percent of our prison population are veterans, so we really need to look at how we are addressing that."

Veterans Legacy Oregon is a local nonprofit 501(c)(3) organization founded in 2016 to provide integrative treatment in a rural setting to area veterans. Their vision is to break the cycle of veteran suicides, mental health disorders and social costs from the underserved experiencing PTSD, substance abuse and associated traumas.

Multiple resources are used to address the medical and psychological needs of veterans in a therapeutic agricultural setting at Camp Alma. Veterans Legacy philosophy is that healing and wellness is a function of a safe environment, meaningful therapeutic experiences, and a multi-faceted, community-based system of extended care. The camp can host up to thirty male veterans at one time. A future goal is to build tiny houses for female homeless veterans.

It is important to note that Camp Alma is not a "rehab program" according to the staff. It is a place for veterans to heal by reestablishing community, social skills, and self-worth. Veterans heal themselves by working in the garden, learning new skills, and building projects that will make the camp be self-sufficient. Fishing in the Siuslaw River, which borders the camp, is allowed and veterans enjoy the peace and quiet of the environment.

Some of the diverse options offered at Camp Alma or with their community partners include music, art, fly fishing, tai chi, sailing, and agriculture and greenhouse therapy. Staff members said that there are always things to do at the camp such as tending to the bees, collecting eggs, feeding the animals, cooking & cleaning.

All those in attendance found the tour to be engaging and options were discussed on how the VFW could assist Camp Alma in reaching more veterans. More information can be found on their website: <https://www.veteranslegacyoregon.org/>

Greetings Comrades, your National Organization is working for you. Here is some of the news that is going on or has recently been occurring:

Past National Commander-in-Chief BJ Lawrence has retired from his position as the Executive Director VFW Washington Office. Past National Commander-in-Chief Bob Wallace has assumed the post until a qualified candidate has been diligently vetted and appointed.

The VFW National Legislative Committee is supporting the H.R. 2372: Presumptive Benefits for War Fighters Exposed to Burn Pits and Other Toxins Act. This is one of the 118 bills we are urging congress to adopt.

I am looking forward to working with our National Legislative Committee Member Rick Higgins on the upcoming National Legislative Conference February 26 through March 3, 2022. I am hoping we will get to walk the “Hill” to visit our Oregon congressional representatives and senators. We will also get to see all the VOD winners and their placements in the National contest.

I look forward to meeting with you in at our Midwinter conference in Eugene, Oregon on February 4 through 6, 2022.

Brothers and Sisters

As we SOAR TO NEW HEIGHTS, and the world is what is right now it all the more important to COMMUNICATE. Communication is the biggest thing for all our members, just at least reach out to everyone to see if they are ok, or if they have something they would like to do for Veterans and the Auxiliary.

District Presidents, it is time for you to call your Auxiliary Presidents to encourage them to get their membership paid and to see that they are working the programs and that they are sending in reports to all the chairmen. See if there is anything they could use some help with. Remember we are in this together. VETERANS ARE THE KEY TO FREEDOM, and we are a team to help and support them. So, keep up the good work and thank you to all our Veterans. I'm only a phone call away and always here to help if I can.

Loyally, Jessie Stober, Chief of Staff & Mentoring Chairman.

Bless our Veterans, Active Military and Their Families. Remember our motto: "Unwavering Support for Uncommon Heroes!"

“There are three ways to ultimate success: The first way is to be kind. The second way is to be kind. The third way is to be kind.”
– Fred Rogers

Well here it is November and some things are still closed, like our hospitals, but there are some things that we can be doing to help our veterans and our students that we usually help every year. If you haven't sent in your money for the Scholarship program, please think about getting that sent in soon. We really like to have the money near the end of the year so that we know how much money we are going to be giving to each of the programs. The kids need our help, especially in these trying times, so if you have any extra funds, please send them in to me. The scholarship chairman will be calling you if you haven't sent any money in to help the program.

I emailed Jade from the Veterans Home in The Dalles. She sent me a suggestion of head phones for the residents. They need about 10 of them. You can order them on Amazon and get it shipped directly to the hospital. If your auxiliary would like to send a couple, please contact me and I will you know the set that they want. It's a good thing to do for some of the places that we can't get in yet. I feel sorry for all these nursing home patients that can't get people in to see them right now.

I have gotten many checks from treasurers lately. When you send them to me for donations or dues, you are writing the checks to the wrong person. If you are sending a check to the Department for Department donations or dues, etc., please write the check to the "Department of OR VFWA," not "Sonya Sallee." When you do that, I have to take the check, put it in my account and then take it from my account and put it in the department account. If I get any more checks written to me, I will be sending them back to you and you will have to write a new check to the Department so they get in the right account. I know that I am sounding harsh, but I have talked about this before and I am still getting those checks. So please watch carefully whom you write the checks out to.

I hope you have a great Thanksgiving with your family and friends and I hope that you remember our veterans and our soldiers that are still in harms way. I hope that all are safe and staying well.

- Yearly unlimited amalgam and/or composite filling, anesthesia with covered service, necessary tooth extractions
- Scaling and root planing (deep cleaning) up to one per quadrant every three years
- Crowns, up to one per tooth per lifetime
- Dentures, up to one upper and one lower every five years
- Preventive coverage for certain exams, X-rays, cleanings and more

You don’t have to be a veteran to enroll in a Humana Honor plan
