## STATE COMMANDER

**JOHN WRINKLE**

### Recruiting Events

Comrades, the last few months have flown by very quickly. Our Voice of Democracy, Patriots Pen and Teacher of the Year entries are now in for judging. I am wishing you the best for your Posts and District entrants. I am looking forward to our Midwinter conference and Banquet at the Valley River Inn, February 1, 2020. Look for room rates, menus and dates in the Oregon VFW News.

Our Commander in Chief,

William "Doc" Schmitz, has sent all Department Commanders an email asking us to get to work on membership. At this point we are behind by 4,000+ members. It is our responsibility to work our retention lists and reinvigorate these members, so they stay with our organization. I am especially asking you to look at all your 80+ year-old continuous members and seriously consider paying their dues this year. Please contact them first to check on their health and see if they have any needs. There are many reasons for helping them with dues: To thank them for their service to our country (many of them are Korean Veterans that were under appreciated); their retirement monies have suffered inflation over the years and a step up will be greatly appreciated by them; they have been paying dues and supporting your Post for many years; it will help your Post with retention numbers; and last but not least, honoring them is the right thing to do.

As a reminder, I am also asking you to hold at least one recruiting event this year. Our line officers are committed to helping you with recruiting. Call me and I will set up a team to help you. Do not think that your recruiting event needs to be a large event. We believe that getting out in front of your Bi-Mart, Wal-Mart or other store in your community will go a long way with growing your Post. You can also make it a Poppy distribution event. Remember, veteran ball caps are a great way to attract veterans to your table. Call me if you need hats. All hat sale profits are tracked by our State Quartermaster and the money will be used to help you with membership. Our State Adjutant/Quartermaster Cheryl Campos has also set up a form for the Posts to verify their membership drive.

Team Oregon can and will get it done!  
John R. Wrinkle

### NOTICE:

There are several outstanding checks from Department for the past two years. Please cash them by December 31 or they will be voided and not re-issued. Thank you.

## Keys to Progressive Car Giveaway!

Past Department Commander Carl Anderson and DAV/Patriot Guard member Robert received a new car through this program.

Past Department Commander Ken Kraft gave a speech and presented Carl with a legacy life increase to Silver from the Department of Oregon. He also gifted from Department a Progressive employee combat veteran with the life membership.

The auto body shops that work on these cars even added a hitch to Carl's jeep so that he can continue his volunteer work with the VFW.

## AUXILIARY PRESIDENT

**JANIE WILLS**

### Auxiliary Goals

I wish to thank all those who attended our training academies. The question was brought up as to who could attend. The training academies are open to All VFW Auxiliary members. So set time to come and meet the chairman and line officers next year.

What constitutes a quorum? Sec. 212 of the bylaws: Five (5) members in good standing shall constitute a quorum for the transaction of business at any meeting of the Auxiliary. Guest

do not count as part of your quorum. If you are having trouble getting 5 members to attend:

Do you need to make contract with your other members to remind them of the meeting?

Do you need to have a recruiting event? We have boxes available with materials to help with events.

You can also contact Deb Wright (membership chairman) (vfwauxore@gmail.com) for how to recruit and encourage members to come to meetings.

Do you need a line officer to come visit and see what we can do to help your auxiliary?

Why we send in a line officer to your meetings

1. To see that auxiliary is being conducted according to bylaws.
2. Problems with members or Post.
3. To observe and see if we can help your auxiliary.

We are not there to close your auxiliary. Our goal is to save auxiliaries and help them grow by providing mentoring to help your auxiliary.

Remember, dues notices should have been sent out.

Has your President shared the program book with you?

Are you mailing in your reports to chairman? Reporting year is from April 1st, 2019 to March 31st, 2020.

Wishing you the best year for your Auxiliary.

Janie Wills

## SENIOR VICE COMMANDER

### Wheelchair Games

Greeting,s Comrades. I hope this finds you and yours in good health. The Department line officers have been keeping busy. We are still working on many different projects. One of them is The National Veterans Wheelchair Games. The VA launched the Wheelchair games in

#### GEORGE CARROLL

1981 and these have been held all over the United States. It was decided to come to Portland Oregon for the 2020 Games to be held from 3 July through 8 July 2020. It is time that we put our time and money where our mouth is and step up to help with this. They will be needing a lot of volunteers and sponsors to put this great event on. If you can donate any money, please send it to Department and note what it is for. I think that we as a Department need to be a Sponsor however a sponsorship is not cheap, and we will have to pool all our resources to come up with enough. So, I am asking that you think about doing an extra day of Buddy Poppies and or a fund raiser to have something to kick in. If each Post was able to kick in \$125 each we would be there. I know that some Posts will not be able to do that; but I know that there are Posts who can do more. Remember these are our Veterans and we need to support them. We will be putting out more information as we get it. It is not too early to start thinking about how and who can volunteer and how much you can put in. I am not saying that you need to zero your bank account, but look to your budget and see where you can raise some funds for this. See if you have anyone who can be a volunteer; can the Post help get them to and from the event and so on. We have some time to work on it; but please do not wait till June to start.

The new Podium Edition of the By-Laws, Manual of Procedure and Ritual are in print now. So, if you have not gotten one yet now is the time. Each Post and District should have an up-to-date copy.

One final thought: I hope that each Post and District are getting all their audits done. The By-Laws say that it is the Trustees' job to do the audits and that it is the Commanders' job to ensure that it is done. I believe that it is up to everyone to make sure that this is done. If you do not hear a report from your Trustees, then you should ask for one.

I hope to see more of you as I travel around the state. Remember Mid-Winter is coming up soon too. Keep safe and thank you for all your hard work.

In Comradeship, *George E. Carroll*

## DEPARTMENT SURGEON

### Visiting Posts

As your newly elected Department Surgeon, I would like to thank all those that supported me in the elections. I am dedicated to helping all comrades in their endeavors. As our Department Commander has stated many times, we are here to help all Districts and Posts within the great State of Oregon.

Recently I had the pleasure of inspecting District 4 and 9 at their fall District meeting. I

was very impressed in how other Districts are doing. I felt well received at their meetings and was fed very well. By the time this newsletter is printed I will have also visited District 15. What all of this really means is it gives me a great opportunity to meet many outstanding comrades. Plus, the ability to find places I've never been or even heard of. (Toledo, OR)

As always, recruitment remains a high priority. Three Posts in our State have already reached 100%. Let's see how fast others can achieve the same. The stage has been set. If you haven't started recruiting, now is the time to start.

Winter safety should be on everyone's mind. The weather is changing every day and it is best to be prepared for the snow and ice. I know that not all Posts have those worries but most do. Now is the time to start thinking about home and car safety during the upcoming months.

Again, I thank everyone for their support and loyalty to the VFW.

Sincerely, *Ron Ballard*

## MEMBERSHIP

#### DENNIS PRATT

achieve over 100% in membership naturally depends on how many posts achieve over 100%. In the 2017-2018 year, 46 posts grew their membership and in the 2018-2019 year 65 posts grew in members,

Our department goal is to be 100 percent as a department every year. Since there is no recognition for a department consecutively being at least 100% year after year, continuous growth is not a priority goal for other departments, but it can be done in Oregon if we continue this trend.

Even if there is no recognition at the national level to continuously hit 100% in membership, (except for Arizona who was recognized at the National Convention for having done it for the last 52 years), there is recognition for the posts that do this within our department. Every year the Continuous Membership Growth Award is given to the posts that have reach 100% plus one in membership continually for at least the last five years.

Three posts received the continuous membership growth award for the 2018-2019 year. They were Molalla Post 3973, Dallas Post 3203 and Florence Post 3232. Two more of our posts are in contention to be added to this list at the end of this membership year if they continue their growth.

The key to continuous growth is retention. Retention would be easy, if after the membership year ends on June 30, every annual member would pay their dues on July 1st. That is not possible for most, and this means the post needs to wait to see who will stay in and who will let their dues lapse as the year rolls out. Some of your members from last year have probably moved away and perhaps transferred to another post, some have passed away, and some just are not interested, despite your best efforts, in staying. These are the ones that you need to replace by recruiting new members.

You can decrease the number of those not interested in staying by remembering that "retention begins when they sign up." The easiest way to retain a member is when they show up to a meeting and they learn first hand what you are doing in the community. However, if they do not show up to meetings you must communicate with them in other ways to let them know that your post is working hard in the community for veterans. It's a chance to show that the sales pitch they received when they signed up was true. If you do not have a newsletter highlighting this information, a letter should go out at least once a year highlighting your accomplishments. More expedient methods include emails and Facebook posts, but not all members will read emails or other electronic media. Do not let the first time they hear from you be when you are asking for this year's dues.

If we expect to grow as a department, then the posts within the department must continue to grow and the Continuous Membership Growth award is one way our department recognizes those posts that keep the membership momentum going.

*Dennis Pratt*

## VETERANS SERVICE COMMITTEE

A quick update for the Veteran Service Office: Ernie Doyle and his staff continue to help Veterans. Their quarterly report looks very good. Mike Miller just recently went to Florence and was able to help several Veterans with their benefits. This was the first time we have sent a Service officer to another area. here appears to be a need for help and Mike was able to assist with that need.

We are looking into doing more trips to areas that are under served. If you live in or know of a possible area in the State which have Veterans who need help with their benefits, please contact me, Dennis Guthrie 541-280-5161 or at 75crazyhorse69@gmail.com or George Carroll at 503-829-9600.

### The Continuous Membership Growth Award

The Department of Oregon is on a roll. We have been over 100 percent for the last two years. We have done this only three other times since 1992. Will this year be a record breaking third year in row of membership growth? A department's ability to

## JULY 2020, 40th NATIONAL VETERANS WHEELCHAIR GAMES

The July 2020, 40th National Veterans Wheelchair Games are being hosted by the VA in Portland, Oregon. Approximately 600 paralyzed Veterans will be competing in this event. The Commander is challenging the Auxiliary and MOC/MOCA Auxiliaries to join us in supporting this worthy event. Department's recommended minimum involvement is as follows:

- Minimum Sponsorship \$10,000
- Purchase a 10' x 10' discounted non-profit booth for recruiting and VFW information
- Volunteers

We are asking our Districts, Posts and membership to consider donating money for this worthy event. Along with the Department Auxiliary and MOC/MOCA Auxiliaries' participation in donations, we can together reach the minimum \$10,000 sponsorship. We will make sure the donation will be cited on the sponsorship submission paperwork. Our Department will recognize with a poster each District, Post, Auxiliaries and members that donate. This sign will be posted at the 10'X10' booth at this event.

At the "kick-off" Wheelchair Games meeting, the VA did specify a total number of volunteers needed for this event. However, the amount we heard was approximately 2,500. We will be urging our District Commanders to encourage Post members to sign up as volunteers once we get the number needed and specific job descriptions of the volunteer duties. We believe the Auxiliaries will also consider this a worthy event to support and will be volunteering alongside us.

The Commander will set up a 40th National Veterans Wheelchair Games Committee and Chairman, with next year's Commander George Carroll's approval to keep us up to date as the year progresses. If you can give the time and effort needed for us to plan our involvement in this special event, let Department know. We owe big "Thank You" to Harvey Pitcher, VAVS Rep, for notifying Department that we should be involved in this event.

Thank you, Harvey.

## RECRUITING & RETENTION

First of all, I would like to thank everyone who participated in Salem at the State Fair. This was my first recruiting event for the Department and was "A Learning Event for Me." I spent a lot of time there and driving back and forth but it was a fun time. At the present time I don't have the numbers for new members that were recruited. I want to thank everyone that volunteered to work the Fair! We put in 143 hours plus the set up and take down time. You all did an outstanding job!

Commander John Wrinkle, Senior Vice Commander George Carroll and I went to the Pendleton Roundup and set up a booth to do some recruiting. We had a great time, met a lot of great people and bought new hats. We spent three days recruiting and picked up 19 new members and one transfer to Post 922. I want to Thank Pendleton Post 922 for inviting us out to the Roundup and for their hospitality. I am looking forward to next year.

Congratulations to Warm Springs Post 4217 for being the first to be 100 percent! Any Post that wants to do a recruiting event please feel free to contact me for any help you might need. My phone number is 971-322-9688 or at andypostman@gmail.com . We have a long way to go yet but I know that we can do it. Our key to being an All-American Post is to be active in recruiting and retention of the members we already have. I would be happy to help anyone out there who needs assistance. I will come help set up an event and help you recruit! I will be calling posts starting this week to see what you need. We need all hands on deck to get the job done.

*Allen Anderson, State Judge Advocate/Membership Chair*

## VFW Delivers Vietnam War Memorabilia, Artifacts to Defense POW/MIA Accounting Agency to Bring Comfort to Those Lost in Combat

‘Our VFW members, and their families, continue to answer the call in this very important effort to bring closure to those who lost loved ones during the Vietnam War’

WASHINGTON (October 25, 2019) – The Veterans of Foreign Wars of the United States provided six artifacts and personal effects to the Defense POW/MIA Accounting Agency today as part of its promise to help advance the noble POW/MIA missions.

“Our VFW members, and their families, continue to answer the call in this very important effort to bring closure to those who lost loved ones during the Vietnam War,” said B.J. Lawrence, executive director, VFW Washington Office.

During July’s 120th VFW National Convention in Orlando, Fla., Lawrence, the former VFW National Commander, asked Vietnam veterans to search through their closets and footlockers for documents that might help Vietnam to determine the fate of an estimated 300,000 missing Vietnamese, and personal effects that might help bring comfort to their families.

U.S. Air Force Maj. Gen. (ret.) Kelly McKeague, DPAA director, was overwhelmed by the show of support from our veterans, their families, and the American people.

“This is a two-pronged effect,” said McKeague. “Not only is there potential to find answers that families have sought for many years but it also advances our relationship with Vietnam. We have found over the last 20 years Vietnam has increasingly been interested in the recovery of their war dead.

Every time we give them an actionable item, it just raises the level of their appreciation, and more importantly, their regard for our cooperation with them.”

VFW senior leaders have traveled back to Vietnam every year since 1991 to help U.S. government efforts to account for missing and unaccounted-for servicemen and civilians. According to DPAA, missing and unaccounted-for servicemen and civilians total 1,353 Americans (825 in Vietnam, 287 in Laos, 46 in Cambodia, and 195 in the South China Sea).

“It is vital that we return any known artifacts, documents, and personal items back to the Vietnamese government, who have continued to foster a good relationship with the United States as we diligently search for our missing servicemen,” said Lawrence. “This display of diplomacy will only help in our efforts to reach our true goal and promise to our families affected by the Vietnam War – and that’s to achieve the fullest possible accounting of those Americans missing from the Vietnam War.”

Vietnam veterans and their families interested in providing items to DPAA, can mail their memorabilia to:

VFW Washington Office  
Attention: Public Affairs  
200 Maryland Avenue, NE  
Washington, D.C. 20002

Items collected by the VFW Washington Office will be turned over to DPAA.

## Patriot Day Remembrance in Oregon City

Post 1324 hosted the third annual September 11 Ceremony at the Clackamas County Circle Of Honor with participation from the Oregon City High School Band, JROTC, Clackamas Community College Veterans Center, Portland Police Highland Guard, Clackamas Fire, Oregon State Police, Clackamas County Sheriff Department, Oregon City, West Linn, and Gladstone Police Departments.

Held in the early evening so working folks and families with school kids can attend, more than 250 people came to remember the September 11th, 2001 attacks, honor the victims and first responders who sacrifice so much for us. Along with the opening tribute to the origins of Patriot Day, each year the event has focused on a different group of patriots with the 2017 program honoring military service members, 2018 highlighting fire fighters and 2019 our Law Enforcement community; the keynote speaker being United States Secret Service Agent Justin Bourne who was in Building 7 at the World Trade Center during the attack.

The program includes a combined honor guard placing a wreath, patriotic music by the High School Band, a performance by the PPB Highland Guard and tributes to Law Enforcement Officers who showed exceptional courage. Post 1324 not only provides most of the planning, coordination of this event but the rifle salute and taps in closing.

As an additional highlight, Benchmade Knives made and presented a custom ‘Blue Line’ engraved knife to each officer honored, or the fallen officer’s family.

## Knowledge is Power

We made it through the Leadership, Information and Training Academies.

Thank you to all who attended. The academies were a success and a great deal of information was given out. Please take the information you've gained back to your Auxiliaries and share. Knowledge is Power.

Thank you to Molalla, Redmond and Sutherlin Auxiliaries for the great lunches prepared for us.

Communication is the road to success. If you have concerns or questions, please contact one of the Department Officers. We are here to help you.

If you have a complaint that you feel strongly about, please put it in writing and send it to our Department President Janie Wills. This is the only way she can act on a complaint. She needs firsthand information from you.

Keep doing what you do for our Veteran and make Oregon shine.

Loyally, *Debbie Wright*

## Veterans and Family Support

Hello All,

As I am writing this article, I have just finished getting all my items together for the Clatsop County Veterans Stand Down. Our stand down will be held at Camp Rilea. I know that many of your Posts and Auxiliaries have already participated in a Veterans Stand Down. I look forward to getting your reports on the event.

I have received Veterans and Family Support reports from less than one half of the Auxiliaries we have in the State of Oregon. Come on folks, Veterans and Family Support is what we are all about. Everything you do for our veterans; active duty military and their families should have a report written. Please, please, please do not wait until the end of our reporting year to do your report. When we do that, we do not report on everything we have done because we have forgotten the details.

To date, those of you who have reported:

- 3887.25 Hours spent on Veterans and Family Support
- 14,745.60 Miles driven
- \$10,359.86 Dollars spent

Please continue to do the good works you are doing for our veterans and their families. Review the end of the year report that will be sent to me in April and make sure you are participating in each of the areas to be reported on. The year end report was part of the program book you received.

I look forward to reading what your Auxiliary has been doing when you send in your reports. It is never to late to report. Remember send in your activities whether you are sure they qualify or not. Better to be told no than not report at all.

Loyally, *Cookie Little*

## LEGISLATIVE CHAIR

Greetings to all my VFW Auxiliary Brothers and Sisters,

I have been getting reports from some of you about what you are doing to promote the Legislative program, for which I thank you. However there a lot of Auxiliaries I have not heard from yet. Please go back to your Auxiliaries and encourage your members to report their activities. I bet many members have done something that could be reported under Legislative and just need a reminder to report!

Last month National Legislative Ambassador Mercie Woolfolk shared a few ways to engage teachers, parents, students, and the community in our Legislative program. Below I have listed a few of them to help inspire you and your members:

- Hold events whose main purpose is fun or fundraising and engage attendees by meeting and talking with them about veterans' issues before, during and after the activity.
- Attend youth sporting events and ask permission from the coordinator for permission to hand out flyers.
- Work with your Americanism Chairman and visit a school where you can hand out age-appropriate crossword puzzles to teachers to be used as part of their programs.
- Leave "I Vote in Honor of a United States Veteran" stickers with parents at PTA meetings and other events throughout the community and encourage all to vote for veteran-friendly candidates.

Veterans Day is November 11. I am sure many of you are holding events to honor and thank our veterans. That would be a perfect opportunity to connect with people and talk about Auxiliary programs. You could even encourage them to sign up for the VFW Action Corps Weekly!

I hope you all have a great month and a wonderful Thanksgiving with your family and friends. *Valorie Wrinkle*

## JR. VICE PRESIDENT

VALERIE WRINKLE

## Serving Veterans

Last month I had the privilege of flying out to Kansas City to VFW Headquarters for a Conference with Department Jr. Vice Presidents from across the country, National Jr. Vice President Jean Hamil, Jr. Vice Commander in Chief Fritz Mihelcic, and other National VFW Auxiliary officers. It was a great time

getting to know each other, hearing how other Departments do things, and learning more about the National organization. There was a lot of information to absorb but it was also a lot of fun. I will have the opportunity to meet up with some of these people again when I attend the Western Conference in Anchorage, Alaska October 31 through November 2. I am looking forward to it!

Now that October has flown by and we are going into November, people everywhere are preparing for November 11, Veterans Day. Memorial Day honors those veterans who are no longer with us, but this day is a day to honor the living. Our veterans deserve our thanks every day of the year, but this day has been set aside especially for that purpose. I saw a quote recently that sums it up. "*We don't know them all, but we owe them all.*" I hope you will take every opportunity to thank a veteran for their service and if there is a parade or other event in your area, that you will attend, or better yet, participate.

Another November holiday that is approaching is Thanksgiving. I hope everyone will take the time to count their blessings. I know I have a lot to be thankful for. For example, I have a home, a loving family, and great friends. I also live in a great country. It may not be perfect, but there is nowhere else I would rather live than in the United States of America where I have the freedom to vote, the freedom to express my opinions, the freedom to attend the church of my choice, and so much more. There are many people in this world who are not so fortunate, and some of them are our veterans. They may be homeless, ill, hungry, or just lonely. Fortunately, there are organizations that reach out to those people. For that reason, I am also thankful to be a member of the VFW Auxiliary where I can be a small part of providing that help, and I am thankful for all of you as well.

I hope you all have a wonderful Thanksgiving!

## DEPT. SECRETARY

## District Meeting Minutes

Please remember to send in your District Meeting Minutes. You need to send President Janie and myself a copy. This is to be done within two weeks of your meeting.

It has come to our attention that some secretaries are not keeping their minutes in a three-ring binder or a ledger book. This is necessary even

if you have them on a computer or in the cloud. In order to retain them and keep them safe you need to do this. Please read your bylaws and it will explain it to you.

All secretaries should have gone onto Malta and read the Secretaries' Handbook by now. This will answer any questions that you might have. You can print this and use some of the forms when taking your minutes. It really is helpful no matter how long you might have been a secretary.

As we go into the winter months we know that some might have to cancel a meeting due to weather. Please just let the Department President or Department Secretary know. We want you and your members to stay safe and sometimes the roads are NOT fit to drive on. District Presidents please let the Department representative, Department President and Department Secretary know if there is any change in the date or location of your District meeting. This needs to be done ASAP.

Happy Thanksgiving! *Iona Kline*

## CONDUCTRESS

DEBBIE LITTLE

## Conductor/Conductress Duties

Greetings Brothers & Sisters, There will be an opening for Conductor/Conductress for the 2020-2021 year. A letter from our Department President, Janie Wills has been or will be read at your next Auxiliary meeting addressing the opening. I hope some of you will seriously consider running for the position.

Please review the line officer requirements and make sure you can check off each of the requirements prior to putting yourself out there for consideration. You need to know that as you move through the chairs each of your duties as a line officer will change based on where you fall in the line.

I can honestly say that I have learned so much in the short time I have been a line officer. I can also tell you that time flies and before you know it you are changing positions and moving up the line. The ladies you will be joining are a wealth of information and share their knowledge willingly.

The current group of line officers are knowledgeable, tireless in working for our veterans, funny, and a sharing and caring group of people. The Department of Oregon is well represented when we attend Department Convention, Western Conference or National Convention.

I urge you to go back and read my articles on the duties of a Conductor/Conductress, review the Podium Book ritual section and the line officer requirements in President Janie's letter and then give some serious consideration to running for Conductor/Conductress.

If you have any questions about becoming a line officer, please contact any one of us currently in the line. We would all be happy to answer any questions you may have.

Loyally, *Cookie*

## Treasurer's Notes

Well here it is November, the time when Auxiliaries need to get their monies into the programs for Christmas. Then National Home and Hospitals really need money at this time of the year so at your next meeting please remember these places. Also don't forget the Scholarship program, we need money for Voice of Democracy and Patriots Pen soon. We need

to decide how much money to give the kids so please get the money to me by the middle of December so that we can help these kids. The students that win this contest is the future of this country.

Remember, audits need to be into me by November 15th, if I don't have them by then and you haven't let me know that it is going to be late, you will be placed on suspension. I have been a nice person for the last few years so please get them in to me. There are a few Districts that have been over for many weeks and I don't have their audit so please get it mailed as soon as possible.

The 990's are done and in the mail back to you.. I am so glad that I have them done so soon. It gets a big amount of things off my plate and they are in good shape. All the auxiliaries 990 were accepted so we are in good shape with the IRS.

Remember if you have money for Peggy's special program, you can send the check to me and I will send it all into the program, or you can write a check and make me a copy of the check and send it to me. We are going to have a prize for each membership group that sends the most money into the program.

One more thing for this article: writing checks. If I get a check that has my name in the Pay to the Order spot or Department Treasurer or anything other than "Department of OR VFWA." I will be sending the check back to you for you to rewrite because I am getting heat from the bank if they aren't written right. I fixed a bunch of them in the last deposit so please be more careful on writing the checks.

Hope all have a great holiday season and see you all at Mid-Winter. I hope by then I will give you a proper hug that I haven't been able to do for a while. Having surgery soon to fix my shoulder. But anyway have a great holiday with family and friends. Call or email me when you have an issue.

## Hospital Reporting

Greetings! I thank all the auxiliaries who have been sending their reports to me. I appreciate all the help you are giving to our veterans and their families.

Please remember to look at the handouts I gave to each auxiliary member that attended our three academies in hopes to make your reporting easier this year. I remember stressing the point

that Oregon needs to be doing the items that are on the new report form I created for your use when reporting to me. This report lists all the areas of concern that the National Ambassador wants us to be doing in addition to the projects and programs we are already doing to help veterans.

The report form is very simple. All you need to do is mark off the areas when you complete them and send the form to me. And, I gave a form or information to each one of you at the academies to present to your membership at your meetings. When you do this, then mark if off on the easy monthly report form and send it to me.

We are to be recruiting new volunteers to help out at the hospitals, care centers, clinics, and homes this year. I thank Debbie for becoming a volunteer in her area. Keep up the good work.

How many of you placed a recruiting poster in your community? How many of you talked about military and veteran suicide prevention and mental health awareness to your members and the community? How many of your members wore/wear the blue tear drop? How many of you downloaded the VFW Auxiliary Hospital Program Guide and presented some of it to you members at the meetings? I thank Sue and Joe in Florence for doing this and reporting to me. How many of you went on the website for VA Office of Research and Development [www.research.va.gov](http://www.research.va.gov)?

Is your auxiliary honoring your volunteers by giving them hospital volunteer service certificates? Remember to take pictures and send that to the Media Chairman for the President's book for her year.

How many of you have looked into the Veterans Voices Writing Project?

I do want to try to clear up some confusion with one of the forms that I designed to help you with your reporting for Hospital. The monthly report form and the MONTHLY CHECK-OFF WORKSHEET. The check-off worksheet is just that, a worksheet for your auxiliary. If you don't need to use it then don't. If you do use it then keep it with your other forms to help remind you of the areas you still need to report on for this 2019-2020 reporting year.

Thank you again to the auxiliaries who have been sending their reports to me and for those of you who haven't done that yet, please remember that we are in this organization to help veterans and their families.

Have a wonderful November and remember to be safe. Happy Thanksgiving to you and yours. *Debby Fawver*

## YOUTH ACTIVITIES

SHANNON MOTTER

With the fun of Halloween behind us, we get ready now to give thanks. November brings so many happy memories to me. Fall is firmly in the air, winter is nipping at its' heels. We gather families together, by blood or love, to celebrate one another. We start thinking about gift giving and the joys of the holidays yet to come. And what better time than to work with our youth? Foster children, especially older ones, are sorely lacking in the giving

season. Scouting groups could be looking for ideas and help for projects. It's colder out, kids will have more inside time and more time out of school....what better time for Reading Through Literacy. Don't forget the fabulous reading list supplied to us on either at your training academy or you can also find it on MALTA. It's a great time to possibly give a few of those books as gifts to the young ones on your list. There are a few that I've got on my reading list and I'm only a kid at heart anymore!

You might consider continuing to talk with children K-8 about the Illustrating America Contest. They have time left but it's best to get the word out early and often. We'd love to see a huge year the first time out! I can't wait to see the artwork.

Also, how are you all doing with R.A.P. coins and cards? I was lucky enough to go to a returning Honor Flight not long ago. Guess what?!? There were children there. I quickly grabbed my R.A.P. cards I printed from MALTA and we began giving them to the children in the group. One girl showed me how to properly salute the flag for both a civilian and a veteran, showed me how to stand at attention and told me the Pledge of Allegiance. Her daddy is a Veteran and she wants to be in the Marine Corps when she grows up. From what I could see, she's going to be a fine one.

And my last message of the months is to REPORT!! Please don't let it wait until the last minute as time is fleeting and you might miss the chance to report. Don't forget to share the number of children you impact, see, show, or work with, every single time! It's imperative to our system to have the hours to report for our IRS non-profit standing. It also shows the world what we do. As you are in your community talking to folks, it's great to have all this information! And lastly, don't forget to share your pictures (just email them to me) and your stories and anecdotes about what you do in your community. You will inspire others and delight me, selfishly speaking!

Happy Thanksgiving to you all. *Shannon Motter*

## Buddy Poppy & National Home

This year's National Ambassador, Betty Stahm has set three (3) goals:

- "Buddy" Poppy National Display Contest
- "Buddy" Poppy Education and Community Outreach
- VFW National Home Education and Community Outreach
- Try to do some kind of Veterans Day Distribution
- Consider handing out Poppies in any "Veterans in the Classroom" projects.
- Veterans Day Parades – consider handing out small US flags with a Poppy twisted around the flag pole below the flag.
- I hope you are planning a display for the "Buddy" Poppy Display Contest at State Convention.
- You should have made your "Health & Happiness" donations by now. This year you can receive a special certificate from National by donating \$.25/member instead of the required \$.10/member.
- Consider a special donation to the VFW Department "Veterans Service Fund". They depend on donations to help Veterans apply for the VA and DoD benefits.
- Have Poppies available at every Post &/or Auxiliary function. Put a donation can beside them.
- Please use the revised Monthly Report form for all programs. ou can find this on line in either pdf or excel format.

If you need anything at all do not hesitate to contact me. I will be more than happy to send you whatever you need.

Thank you for all you do for our Veterans and their families.

## Oregon POW/MIA Memorial Highway on U.S. Highway 26

On Memorial Day, 2019, the nonprofit Bend Heroes Foundation requested Central Oregon's state legislators to sponsor legislation designating U.S. Highway 26 as "POW/MIA Memorial Highway". At 471 miles in length, U.S. Hwy 26 is the second longest highway in Oregon and stretches from the Oregon coast near Seaside to the Oregon/Idaho border at Nyssa. The House and Senate voted unanimously in favor of House Bill 3452 during June. Governor Kate Brown signed HB 3452 into law on July 23 with a ceremonial signing on Sept. 16. The law will become effective on January 1, 2020. The law requires ODOT to install POW/MIA Memorial Highway signs paid for by veterans.

The purpose of the POW/MIA Memorial Highway is to honor Oregon's over 600 former WWI and WWII Prisoners of War (POWs), almost 200 POWs who died in captivity during WWI, WWII, Korean and Vietnam Wars and 1,000 Oregonians who still remain Missing in Action (MIA) or "Unaccounted-For" from WWI to the Vietnam War, educate the traveling public and let the families of POWs and MIAs know Oregon supports their hopes and prayers for the return of their loved one's remains. The 1,000 MIAs are: WWI/21, WWII/887, Korean War/57, Cold War/2 and Vietnam War/33.

The Defense POW/MIA Accounting Agency (DPAA) is earnestly searching for the remains of our nation's 86,500 MIAs/Unaccounted-For. About half were lost or buried at sea. DPAA lists the names of MIAs ("Unaccounted-For") by war (WWII to present) and state on its web site: <https://www.dpaa.mil/> DPAA also lists names of "Accounted-For". The names of our nation's 4,422 WWI MIAs also listed by state are found here: <https://www.worldwar1centennial.org/index.php/doughboy-mia-database-1917-1920.html>

The POW/MIA Memorial Highway is the 8th border to border veterans' highway initiated by Bend Heroes Foundation since 2008. It is believed to be the first border to border POW/MIA Memorial Highway in our nation. It intersects all 5 of Oregon's "War" highways, Purple Heart Trail and Oregon Medal of Honor Highway. There are POWs and MIAs

American Legion State Commander and Veterans of Foreign Wars State Commander

associated with all of those highways except the Persian Gulf, Afghanistan and Iraq Veterans Memorial Highway. Below is a map of the 8 veterans' highways with the 471 mile east-west POW/MIA Memorial Highway marked in black. At the

Foundation's request, Idaho plans to designate its 400 mile U.S. Hwy 26 as POW/MIA Memorial Highway next year.

Bend Heroes Foundation will raise \$33,000 to pay Oregon *cont. page 13*

Governor Kate Brown signing HB 3452

Department of Transportation (ODOT) to fabricate and install 12 signs on the newly designated POW/MIA highway beginning in early 2020. Below is an image of the ODOT - approved 4 ft. x 8 ft. POW/MIA Memorial Highway sign. Note the familiar POW\*MIA logo on the sign.

With the installation of 12 signs on the POW/MIA Memorial Highway in 2020, the 8 veterans' highways will then display 91 honorific signs on 2,969 miles of scenic border to border highways in Oregon honoring almost one-half million Oregon veterans who served, died, became wounded, received the Medal of Honor or became POW or MIA during war since the Civil War. They will never be forgotten in Oregon.

Bend Heroes Foundation is deeply grateful for the outstanding support from the Oregon Legislature, Oregon's Governors, Oregon Department of Transportation, veterans' groups and the many donors over the last 11 years.

Tax deductible donations funding the POW/MIA Memorial Highway signs (\$2,800 per installed sign) can be sent to Bend Heroes Foundation: 1900 NE 3rd St., Ste 106, #205, Bend, OR 97701. September 16, 2019 the VFW, AL, DAV & other Veterans groups were invited to go to the Capital Building to witness the signing of HB 3452 which would make Hwy 26 a POW/MIA Memorial Highway.

Oregon is one of the first states to have Memorial Highways across the whole state.

## Bell-Carter Packaging and Frito-Lay Make Large Donation to the Veterans of Foreign Wars

Bell-Carter Packaging made a large donation of Frito-Lay products to Gresham United VFW Post 180. "It really came out of the blue," said Post Commander David Lowe. Brent Miyashiro was visiting the Wood Village Fred Meyer on the

weekend before Veterans Day. He saw the Gresham United Post 180 Fundraiser and offered a donation of product to the post. Bell-Carter Packaging repackages single serve and vend-pack snacks for Frito-Lay.

"With the holidays coming up, seasonal food drives, and veterans' initiatives, we saw this as a boon." Commander Lowe contacted the various posts in District 15, as well as their adoptive National Guard unit, C-2/162 Inf, the Gresham

Elks and the Portland Vet Center. Then the Post Commander turned the program over to Post Trustee Mike "Whitey" Martin.

With an initial pickup appointment on Tuesday, 19 November, Whitey arranged a convoy of trucks, including an Oregon National Guard LMTV, loaded up about 20 pallets of Frito-Lay snacks. These snacks will go to various programs the VFW Supports in Portland, Gresham, Sandy and Lake Oswego. The National Guard will take several pallets out to Camp Withycombe. "We loaded out only about 10 percent of the total donation. I am hoping we can rally the VFW Members to pick up more. With a total donation is 200 pallets, I hope we can bring some holiday cheer the veterans of Oregon, courtesy of Bell-Carter Packaging, Frito-Lay, and the Veterans of Foreign Wars.

## 2019 Youth Poker Shoot

Eagle Cap Post 4307 Held its 9th annual Youth Poker Shoot on 13 October 2019 in Enterprise, Oregon. The weather was cool and crisp up here in the foothills of the Willowa mountains. A good time was had by all with two youngsters going home with a brand-new Ruger 10-22. This event is sponsored by Post 4307 and teaches firearm safety, sportsmanship and confidence to the next generation. Many of kids participating were repeat attendees and will be returning again for several more years.

Age groups were 8-12 and 13-16. The winner for each age group took home a new rifle with second place taking a C-note (\$100 bill) home. Third place was a new trout rod. We also passed out several free boxes of 22lr. We had a first at our shoot this year, the winner of the 8-12 year-old group shot a straight. Many have shot close, but she's the first to pull it off.

*Pictured above: All of the winners at the VFW Post 4307 Youth Poker Shoot and Commander Kim Hutchison.*

## JUNE 10 through JUNE 14, 2020

### VETERANS OF FOREIGN WARS DEPARTMENT OF OREGON CONVENTION BOOK AD

It is time to think about your ad for the 2019-2020 Department of Oregon Convention book. Everyone in attendance at State Convention will receive one of these books, so it is great exposure for yourself, your Post, District, Auxiliary, or business. Ads help offset the cost of Convention, which will be held at the Mill Casino in North Bend June 10 - June 14, 2020.

We have had to increase the price of ads this year due to increases in the cost of printing the book and other Convention expenses, however we are also offering a discount on your ad if you refer a business to us. For every business you refer that places an ad in the book, you will receive a \$25 discount off your own ad. Get enough businesses to place an ad and you could pay for your ad in full!

If you are interested in placing an ad in the 2019-2020 Convention Book for the Department of Oregon, please note the following information:

- Due Date for Ads is May 9, 2019 (but please don't wait until the last minute!)
- Preferred format is .jpg. We can also accept pdf files, Microsoft Publisher, and Word. Send payment directly to the VFW Dept. of OR, 12440 NE Halsey St., Portland OR 97230-1927.
- You may call Department Quartermaster Cheryl Campos at 503-255-5808 to make other arrangements for payment. Please note that prices have increased due to an increase in printing costs and other Convention expenses.
- Send ad copy directly to Valorie Wrinkle at vjwrinkle@gmail.com. Please note that your ad will not be processed until we have verified that the Quartermaster has received payment. If you have any questions, please call or email Valorie at 541-678-3894 or vjwrinkle@gmail.com. When sending your ad, please make sure that we have a contact phone number and e-mail in case we need to contact you for more information.
- If you would like to have graphics added to your ad, or help designing it, Valorie will provide that service free of charge. If you have any questions, please call or email Convention Chairman Bill Pieters at 541-610-7014 or bpieters6@gmail.com.

**“Get on Board, There Is Room for One More”**

The Department Line Officers are rolling out a “not so new” program this year. In the past, it was called Friendship Runs. We are calling our new program “Get on Board, There is Room for One More.” Your Department Line Officers are energized and want to visit you in your Posts. We have heard that Post members ask, “What does Department do for us?” Well, here is your chance to meet with us face-to-face, get answers to any questions you may have, and let us know of any issues so we can offer our help. When we come to your Post, come out and meet us and be sure to get your special pin! Our meeting is informal and will last 40 minutes or so. We have met with District 7 Posts and part of District 4 Posts. We have some great ideas on how to mutually support each other in getting our VFW programs and missions completed.

It is our intention to learn from you how we can make our partnership stronger. It is not an idle phrase when we say that “We Work for You.” Department represents you at the District, State and National level. We rely heavily on you and your Auxiliaries to work in your communities and represent your Veterans of Foreign Wars Posts. Together we are an extremely strong team that betters the lives of our Posts, veterans and their families and proudly works for our youth, teachers, and First Responders in our communities.

We are only a phone call, text, or email away from you. We want to know your positive ideas on how to make us stronger and preserve our Veterans of Foreign Wars organization for generations to come.
